

## SYSTEMATIC LIST OF OBSERVATIONS

The taxonomic basis for the species account in this list is the fifth edition of *Birds of the World: A Checklist (Clements 2000)* and is supplemented with some recent taxonomic changes and/or taxonomic remarks.

Species with asterisk and in capitals are endemic species of Peru

### TINAMOUS - TINAMIDAE

#### **Great Tinamou** (*Tinamou major*)

On 6 heard at Afluyente and 8-08 heard along the Yurimaguas Road, Tarapoto.

#### **Pale-browed Tinamou** (*Crypturellus transfasciatus*)

On 1-08 heard down in the valley at Abra Porculla.

#### **Ornate Tinamou** (*Nothoprocta ornate*)

On 20-08 1 ex. Bosque Unchog.

#### **Andean Tinamou** (*Nothoprocta pentlandii*)

On 25-08 20+ near San Pedro de Caste, Upper Santa Eulalia. During our search for the Rufous-breasted Warbling-Finch we regularly flushed Andean Tinamou.

### GREBES - PODICIPEDIDAE

#### **White-tufted Grebe** (*Rollandia Rolland*)

On 17-08 3 exx. Lake Junin.

#### **Silvery Grebe** (*podiceps occipitalis*)

On 17-08 15 exx. Lake Junin.

#### **\* JUNIN GREBE** (*Podiceps taczanowskii*)

On 17-08 2 exx. Lake Junin. The total population is estimated at less than 400 birds. Considered Critical.

### PELICANS - PELICANIDE

#### **Peruvian Pelican** (*Pelecanus thagus*)

Up to 10 exx. along the coast near Puerto Huarmey and Huacho on 14 and 15-08.

### BOOBIES - SULIDAE

#### **Peruvian Booby** (*Sula variegata*)

Rather common along the coast near Huacho on 14 and 15-08.

### CORMORANTS - PHALACROCORACIDAE

#### **Neotropic Cormorant** (*Phalacrocorax brasilianus*)

Common along the coast near Huacho on 14 and 15-08.

#### **Guanay Cormorant** (*Phalacrocorax bougainvillii*)

On 15-08 7 exx. near El Paraiso.

#### **Red-legged Cormorant** (*Phalacrocorax gaimardi*)

On 14-08 2 exx. at Puerto Huarmey.

### HERONS, EGRETS AND BITTERNs - ARDEIDAE

#### **Great Egret** (*Casimodius alba*)

Scattered seen in the rice fields in the valleys along our route.

#### **Little Blue Heron** (*Egretta caerulea*)

On 30-07 1 ex. near Olmos.

On 13-07 10+ in the ricefields between Cajamarca and the coast.

On 14-07 2 exx. near Huacho.

**Snowy Egret** (*Egretta thula*)

See Great Egret.

**Cattle Egret** (*Bubulcus ibis*)

Commonly observed, especially in the rice fields in the valleys.

**Striated Heron** (*Butorides striatus*)

On 31-07 1 ex.in a marsh near Olmos.

On 3-08 1 ex. near Morro de Calzada

On 9-08 2 exx.near Rioja.

On 10-08 1 ex. along the Rio Utcubamba near Leimebamba.

**Black-crowned Night-Heron** (*Nycticorax nycticorax*)

On 17-08 1 ex.in flight , Lake Junin.

**Fasciated Tiger-Heron** (*Tigrisoma fasciatum*)

On 10-08 2 exx. between Pomacochas to Leimebamba along the Rio Utcubamba..

**IBISES AND SPOONBILLS -THRESKIORNITHIDAE**

**Puna Ibis** (*Plegadis ridgwayi*)

On 12-08 3 exx.between Celendin and Cajamarca.

On 14-08 30+ at marshy area near Trujillo along the coast. (Panam Hwy.km.450)

On 15-08 10 exx. on transit near Lima.

On 17-08 60+ Lake Junin area.Also on 24-08 in the same area.

**FLAMINGOS -PHOENICOPTERIDAE**

**Chilean Flamingo** (*Phoenicopterus chilensis*)

On 15-08 200+ at El Paraiso.

**DUCKS. GEESE AND SWANS - ANATIDAE**

**Andean Goose** (*Chloephaga melanoptera*)

On 16-07 20+ Marcopomacocha area.

On 17-07 3 exx. and on 24-07 4 exx.near Lake Junin.

**Torrent Duck** (*Merganetta armata*)

On 4 and 6-08 1 pair Abra Patricia area.

On 10-08 1 pair Afluente.

**Crested Duck** (*Anas specularoides*)

On 16-08 10+ Marcopomacocha area.

On 17-08 20+ Lake Junin

**Yellow-billed Pintail** (*Anas georgica*)

On 17-08 3 exx. and on 24-08 5 exx. on a small stream at km.142 between La Oroya – Huanuco.

**Speckled (Yellow-billed) Teal** (*Anas flavirostris*)

On 17-08 10+ Lake Junin.

**White-cheeked Pintail** (*Anas bahamensis*)

On 14-08 20+ at coastal marsh near Trujillo. (Panam Hwy. km.450)

**Puna Teal** (*Anas puna*)

On 16-08 a few Marcopomacocha area.

On 17-08 40+ Lake Junin.

**Cinnamon Teal** (*Anas cyanoptera*)

On 14-08 a few at coastal marsh near Trujillo. (Panam Hwy. km.450)

On 15-08 common at El Paraiso near Huacho.

**Andean Duck** (*Oxyura ferruginea*)

On 16-07 4 exx. Marcopomacocha area.

**NEW WORLD VULTURES -CATHARTIDAE**

**Black Vulture** (*Coragyps atratus*)

Daily and commonly observed

**Turkey Vulture** (*Cathartes aura*)

See previous species.

**Greater Yellow-headed Vulture** (*Cathartes melambrotus*)

On 6-08 3 exx.near Aguas Verdes.

On 8-08 1 ex.near Tarapoto.

**HAWKS, EAGLES AND KITES - ACIPITRIDAE**

**Swallow-tailed Kite** (*Elanoides forficatus*)

On 5-08 2 exx. Aguas Verdes.

On 7-08 1 ex. Morro de Calzada.

On 8-08 spectacular group of no less than 75 exx.migrating through the valley along the Yurimaguas Road, Tarapoto.

On 9-08 2 exx. Juan Guerra, near Tarapoto.

**Plumbeous Kite** (*Ictinia plumbea*)

On 6-08 1 ex. near Aguas Verdes.

On 9-08 1 ex. Juan Guerra, Tarapoto.

**Cinereous Harrier** (*Circus cinereus*)

On 14-08 1 ex. marshy area near Trujillo (Panam hwy km.450)

On 20-08 1 ex.Bosque Unchog.

**Plain-breasted Hawk** (*Accipiter ventralis*)

On 4 and 6-08 single birds seen near Pomocochas and Afluente.

On 22-08 1 ex.Bosque Unchog. Good and close views of a perched bird.

**Gray-backed Hawk** (*Leucopternis occidentalis*)

On 30-07 excellent views of a pair near Batan Grande. The species is rare in its restricted range in west Ecuador and North-west Peru.Considered "Endangered."

**Savanna Hawk** (*Buteogallus meridionalis*)

On 30-07 5 exx. in the agriculture fields between Chiclayo and Batan Grande.

**Harris' Hawk** (*Parabuteo unicinctus*)

On 30-07 1 ex.Bosque de Pomac.

On 31-07 2 exx. Limon (Quebrada Frejollillo).

On 1-08 1 ex. Abra Porculla.

**Black-chested Buzzard-Eagle** (*Geranoaetus melanoleucos*)

On 1-08 2 exx. Abra Porculla.

On 4-08 1 ex.Abra Patricia.

On 15 and 16-08 2 exx. Santa Eulalia Valley.Also 1 on 25-08.

On 17-08 1 ex. between La Oroya – Huanuco.

**Roadside Hawk** (*Buteo magnirostris*)

19 exx. observed on 10 dates in Northern Peru.

**Variable Hawk** (*Buteo polysoma*)

On 23-08 1 ex. near Carpish Tunnel.

**Puna Hawk** (*Buteo poecilochrous*)

All birds observed were of the pale fase.

On 1-08 3 exx. Abra Porculla.

On 3-01 1 ex.Abra Patricia.

On 11-08 1 ex near Leimebamba.

On 12-08 2 exx. between Celendin – Cajamarca.

A total of 6 exx. observed in Central Peru: Lake Junin, Bosque Unchog and Santa

Eulalia Valley.

**Black & White Hawk-Eagle** (*Spizastur melanoleucus*)

On 5-08 1 ex. observed at Abra Patricia. (Ridge trail area)

#### **CARACARAS AND FALCONS -FALCONIDAE**

**Black Caracara** (*Daptrius ater*)

On 7-08 1 ex. Morro de Calzada.

**Mountain Caracara** (*Phalcoboenus megalopterus*)

On 3-08 1 ex. Abra Patricia.

On 11-08 2 exx. Celendin – Cajamarca.

On 12-08 6 exx. between Cajamarca and the coast.

On 16-08 3 exx. Santa Eulalia Valley.

On 22-08 1 ex. Bosque Unchog.

On 24-08 3 exx. between Huanuco – La Oroya (Km.142)

**Southern Caracara** (*Caracara cheriway*)

On 30-07 10 exx, Batan Grande, Quebrada Frejillillo (Limon).

On 9-08 2 exx. near Rioja.

**Buckley's Forest Falcon** (*Micrastur buckleyi*)

On 6-08 1 ex. perched near Aguas Verdes.

**American Kestrel** (*Falco sparverius*)

A total of 13 exx. observed on 7 dates in Northern Peru.

On 14-08 10+ between Trujillo – Huacho.

On 25-08 2 exx. Lower Santa Eulalia Valley.

**Peregrine Falcon** (*Falco peregrinus*)

On 19-08 1 ex. Paty Trail.

#### **GUANS, CHACHALACAS AND ALLIES - CRACIDAE**

**Speckled Chachalaca** (*Ortalis guttata*)

Common around Morro de Calzada.

On 9-08 5 exx. seen Juan Guerra.

**Andean Guan** (*Penelope montagnii*)

On 4 and 5-08 1 ex. and on 9-08 2 exx. Afluyente area.

On 18 and 19-08 3 resp. 2 exx. along the Paty Trail.

\* **WHITE-WINGED GUAN** (*Penelope albipennis*)

On 31-07 excellent views of 2 families (total of 7 exx.) of this rare and restricted range bird at Quebrada Frejolillo (Limon). Considered critically endangered. We also found a (deserted?) nest with 3 eggs.

#### **NEW WORLD QUAIL - ODONTOPHORIDAE**

**Rufous-breasted Wood-Quail** (*Odontophotus speciosus*)

On 19-08 heard at the Paty Trail.

#### **RAILS, GALLINULES AND COOTS -RALLIDAE**

**Uniform Crane** (*Amaurolimas concolor*)

On 9-08 twice seen while crossing a track at site, 4 km. west of Rioja.

**Spotted Rail** (*Pardirallus maculatus*)

On 31-07 1 ex. well observed in the scope at a small swamp near Olmos.

**Blackish Rail** (*Pardirallus nigricans*)

On 9-08 excellent views of 1 ex. at a swamp near our lunch site 4 km. west of Rioja. At least 3 more birds were heard.

**Plumbeous Rail** (*Pardirallus sanguinolentus*)

On 14-08 6 exx.at coastal swamp south of Trujillo.(Panam Hwy km.450)

**Common Moorhen** (*Gallinula chloropus*)

On 31-07 5 exx.at swamp near Olmos.

On 14 and 15-08 common in coastal areas.

**Andean Coot** (*Fulica ardesiaca*)

On 14-08 2 exx. south of Trujillo.

On 15-08 common El Paraiso and on 17-08 common Lake Junin.

**Giant Coot** (*Fulica gigantean*)

On 16-08 8 exx.Milloc/Marcopomacocha area.

**OYSTERCATCHERS -HAEMATOPODIDAE**

**Blackish Oystercatcher** (*Haematopus ater*)

On 14-08 6 exx.harbour of Huarmey.

**American Oystercatcher** (*Haematopus palliatus*)

On 14-08 1 ex.beach of Huarmey.

**AVOCETS -RECURVIROSTRIDAE**

**Black-necked Stilt** (*Himantopus mexicanus*)

On 14-08 3 exx.south of Trujillo and 10 exx. at Huarmey.

On 15-08 10 exx.El Paraiso.

**THICK-KNEES - BURHINIDAE**

**Peruvian Thick-knee** (*Burhinus superciliaris*)

On 31-07 17 exx.in a dry riverbed along the track between Limon and the Panam Hwy.On 15-08 5 exx.along the entrance road of Lomas de Lachay.

**PLOVERS -CHARADRIIDAE**

**Andean Lapwing** (*Vanellus resplendens*)

On 11 and 12-08 up to 20 exx. between Leimebamba and Cajamarca.

Common around Lake Junin.Up to 6 exx.Bosque Unchoc.

**Killdeer** (*Charadrius vociferus*)

On 14-08 20+ Huarmey.

**Semipalmated Plover** (*Charadrius semipalmatus*)

On 15-08 2 exx.at El Paraiso.

**Kentish Plover** (*Charadrius alexandrinus*)

On 14-08 1 ex. near Trujillo (Panam Hwy km.450)

**Diademed Sandpiper-Plover** (*Plegadis mitchellii*)

One of the highlights of the trip.A most wanted and long-awaited species.

On 16-08 excellent views of 2 adult and 1 juv. bird at Marcopomacocha.

**SANDPIPERS - SCOLOPACIDAE**

**Puna Snipe** (*Gallinago andina*)

On 16-08 good views of 1 ex.at Marcopomacocha.

**Andean Snipe** (*Gallinago jamesoni*)

Heard on one early morning at Bosque Unchoc.

**Hudsonian Whimbrel** (*Numenius hudsonicus*)

On 14-08 50+ at Huarmey.

On 15-08 common at El Paraiso.

**Greater Yellowlegs** (*Tringa melanoleuca*)

On 14-08 1 ex. south of Trujillo during a road side stop.(Panam Hwy km.450)

**Lesser Yellowlegs** (*Tringa flavipes*)

On 14-08 10 exx.south of Trujillo and 20+ at Huarmey.

On 15-08 20+ at El Paraiso.

**Spotted Sandpiper** (*Actitis macularia*)

On 10-08 1 ex.along Rio Utcubamba.

On 14-08 1 ex.Huarmey.

**Ruddy Turnstone** (*Arenaria interpres*)

On 14-08 8 exx.harbour of Huarmey.

**Sanderling** (*Calidris alba*)

On 14-08 2 exx.beach of Huarmey.

**Semipalmated Sandpiper** (*Calidris pusilla*)

On 14-08 3 exx.Huarmey.

On 15-08 40+ at El Paraiso.

**Least Sandpiper** (*Calidris minutilla*)

On 14-08 2 exx.south of Trujillo.(Panam Hwy km.450)

**Baird's Sandpiper** (*Calidris bairdii*)

On 14-08 15 exx.Huarmey.

On 15-08 30+ El Paraiso.

**Ruff** (*Philomachus pugnax*)

On 14-08 1 ex.Huarmey.According to Clement's this species is accidental to Peru.

New species for Juve.

**Wilson's Phalarope** (*Phalaropus tricolour*)

On 14-08 20 exx. harbour of Huarmey.

**SEEDSNIPES -THINOCORIDAE**

**Gray-breasted Seedsnipe** (*Thinocorus orbignyianus*)

On 16-08 30+ observed along the road to Marcopomacocha.

**Least Seedsnipe** (*Thinocorus rumicivorus*)

On 14-08 4 exx. south of Trujillo.

On 15-08 20+ Lomas de Lachay area.

**GULLS AND TERNS -LARIDAE**

**Band-tailed Gull** (*Larus belcheri*)

On 13-08 2 exx.near Trujillo.

On 14 and 15-08 20-30 exx.observed at Huarmey and El Paraiso.

**Gray Gull** (*Larus modestus*)

On 14-08 1000+ along the coast.Locally abundant.

On 15-08 common El Paraiso.

**Kelp Gull** (*Larus dominicanus*)

Less common than previous species along the coast.

**Gray-headed Gull** (*Larus cirrocephalus*)

On 13-08 3 exx. near Trujillo.

On 15-08 10+ at El Paraiso.

**Andean Gull** (*Larus serranus*)

On 16-08 2 exx.near Marcopomacocha.

On 17-08 20+ Lake Junin.

On 24-08 20+ along the central highway from Huanaco towards Lima.

**Laughing Gull** (*Larus atricilla*)

On 13-08 2 exx. near Trujillo.

**Elegant Tern** (*Thalassus elegans*)

On 14-08 6 exx. near Huarmey.

On 15-08 10+ at El Paraiso.

**Peruvian Tern** (*Sterna lorata*)

On 15-08 3 exx. at El Paraiso. Uncommon to rare along the Peruvian coast.

**Inca Tern** (*Larosterna inca*)

On 14-08 10 exx. Huarmey.

**SKIMMERS - RYNCHOPIDAE**

**Black Skimmer** (*Rynchops niger*)

On 15-08 100+ at El Paraiso.

**PIGEONS - COLUMBIDAE**

**Scaled Pigeon** (*Columba speciosa*)

On 6-08 1 ex. near Aguas Verdes.

**Band-tailed Pigeon** (*Patagioenas fasciata*)

Up to 10 exx. daily in the Abra Patricia area.

Single birds seen Paty Trail and Carpath Tunnel.

**\* PERUVIAN PIGEON** (*Patagioenas oenops*)

On 11-08 20 exx. in the Marañon Valley, Balsas. Considered "Vulnerable"

**Plumbeous Pigeon** (*Columba plumbea*)

On 9-08 2 exx. Juan de Guerra.

**Eared Dove** (*Zenaida auriculata*)

Recorded on 11 days in Northern Peru and Central Peru.

**Pacific Dove** (*Zenaida meloda*)

Up to 20 exx. on 30 and 31-07 Batan Grande and at Quebrada Limon.

Small numbers observed in coastal areas of north Peru.

**Ecuadorian Ground-Dove** (*Columbina buckleyi*)

On 1-08 10 exx. Abra Porculla.

On 2-08 2 exx. at our lunch stop site along the Rio Utucubamba.

**Croaking Ground-Dove** (*Columbina cruziana*)

Common in North Peru.

**Ruddy Ground-Dove** (*Columbina talpacoti*)

On 7-08 2 exx. Morro de Calzada.

On 9-08 10 exx. near Tarapoto.

**Blue Ground-Dove** (*Claravis pretiosa*)

On 2-08 4 exx. Chirinos road near Tamborapa (Jaen)

On 7, 8 and 9-08 up to 4 exx. daily in the Tarapoto area.

**Bare-faced Ground-Dove** (*Metriopelia ceciliae*)

On 15, 16 and 24-08 up to 20 exx. in the Santa Eulalia Valley.

**Black-winged Ground-Dove** (*Metriopelia melanoptera*)

On 16-08 3 exx. upper Santa Eulalia Valley.

**White-tipped Dove** (*Leptotila verreauxi*)

Almost daily observed in Northern Peru. (11 out of 16 days) from single birds up to 20 in the Marañon Valley.

**White-throated Quail-Dove** (*Geotrygon frenata*)

On 22-08 1 heard on the Paty Trail.

On 23-08 good views of 1 ex. walking in the open on the Paty Trail.

## **PARROTS - PSITTACIDAE**

### **Scarlet-fronted Parakeet** (*Aratinga wagleri*)

On 2-08 10+ near Jaen (Chirinos road near Tamborapa) and 50+ en route between Jaen and Pomacochas.

### **Chapman's Parakeet** (*Aratinga alticola*) split from Mitred P. (*A. mitrata*)

On 10-08 200+ near Leimebamba.

On 11-08 30+ near Leimebamba.

### **Red-masked Parakeet** (*Aratinga erythrogenys*)

On 30-07 20 and on 31-07 up to 50 exx. at Quebrada Limon. We had good views of perched birds. Considered "near-threatened."

### **White-eyed Parakeet** (*Aratinga leucophthalmus*)

On 4 and 5-08 10-30 exx. upper Abra Patricia.

### **Maroon-tailed Parakeet** (*Pyrrhura melanura*)

On 8-08 2 exx. near Tarapoto.

On 9-08 2 exx. Juan Guerra.

### **Mountain Parakeet** (*Bolborhynchus aurifrons*)

On 16-08 4 exx. Santa Eulalia.

### **Andean Parakeet** (*Bolborhynchus orbynesius*)

On 25-08 20 exx. Upper Santa Eulalia Valley.

### **Blue-winged Parrotlet** (*Forpus xanthopterygius*)

On 6-08 50+ near Aguas Verdes.

### **Pacific Parrotlet** (*Forpus coelestis*)

On 30 en 31-07 common (50+) at Quebrada Frejolillo (Limon).

On 1-08 6 exx. near Jaen.

### **Cobalt-winged Parakeet** (*Brotogeris cyanoptera*)

On 9-08 100+ at Juan de Guerra, Tarapoto area.

### **Blue-headed Parrot** (*Pionus menstruus*)

On 7 and 9-08 40 and 10 exx. at Morro de Calzada and Juan Guerra, respectively.

### **White-capped Parrot** (*Pionus seniloides*)

split from **Speckle-faced P.** (*P. tumultuosus*).

On 3-08 30+ near Pomacochas and Abra Patricia.

On 18-08 2 exx. Carpish Tunnel.

## **CUCKOOS - CUCULIDAE**

### **Hoatzin** (*Opisthocomus hoazin*)

On 9-08 15 exx. along the rio at Juan Guerra. Tarapoto.

### **Squirrel Cuckoo** (*Piaya cayana*)

A total of 9 exx. on 6 dates in Northern Peru.

### **Smooth-billed Ani** (*Crotophaga ani*)

Locally common on the east side of Abra Patricia.

### **Groove-billed Ani** (*crotophaga sulcirostris*)

Common throughout the trip in the dry, arid regions.

Note: We did not always bother to identify any Ani we observed.

## **OWLS - STRIGIDAE**

### **Tropical Screech-Owl** (*Megascops choliba*)

On 6-08 1 ex. calling in the garden of hotel La Ribera, Rioja.

### **Peruvian Screech-Owl** (*Megascops rocoratus*)

On 30-07 1 ex. calling near the campsite at Quebrada Frejelillo (Limon).

**Rufous-banded Owl** (*Strix albitarsus*)

On 3-08 2 exx. calling Abra Patricia.

On 21 and 22-08 2 and 1 ex. calling at Bosque Unchog. 1 ex. briefly seen.

**Ferruginous Pygmy-Owl** (*Glaucidium brasilianum*)

On 5-08 1 ex. heard near Afluente.

On 8-08 1 ex. heard near Tarapoto.

**Peruvian Pygmy-Owl** (*Glaucidium peruanum*)

On 30 and 31-07 2 exx. observed at Batan Grande and 1 ex. at Quebrada Frejelillo (Limon).

On 15-08 1 ex. at Santa Eulalia Valley.

**Yungas Pygmy-Owl** (*Glaucidium bolivianum*)

Daily heard during the day at Bosque Unchog. On 20-08 excellent views of 1 ex.

**NIGHTJARS -CAPRIMULGIDAE**

**Band-winged Nightjar** (*Caprimulgus longirostris*)

Op 1-08 1 ex. near Abra Porculla.

On 11-08 2 exx. Hacienda Limon.

**Scrub Nightjar** (*Caprimulgus anthonyi*)

On 30-07 1 ex. in broad daylight at Batan Grande.

On 31-07 1 ex. flushed at Quebrada Frejelillo (Limon).

**Lyre-tailed Nightjar** (*Uropsalis lyra*)

On 3-08 astonishing views of a very responsive male at Valle Hermosa, Abra Patricia. On 6-08 1 ex. heard near the restaurant at the Afluente bridge.

**Swallow-tailed Nightjar** (*Uropsalis segmenata*)

In the early morning of 11-08 we had 2 female type birds on the road near Leimebamba.

**SWIFTS - APODIDAE**

**White-chested Swift** (*Cypseloides lemosi*)

On 2 exx. Abra Patricia, rocky slope near the Ridge trail. Very rare in north-west Peru

**White-collared Swift** (*Streptoprocne zonaris*)

Up to 20 exx. observed in the Abra Patricia area.

On 11-08 200+ late afternoon near Balsas.

**Pale-rumped Swift** (*Chaetura egregia*)

Daily observed from Afluente – Aguas Verde – Rioja – Tarapoto.

On 8-08 50+ along the Yurimaguas Road, Tarapoto.

**White-tipped Swift** (*Aeronautus montivagus*)

On 1-08 a flock (10+) at Abra Porculla.

Up to 20 exx. on 3, 4 and 5-08 in the Abra Patricia area.

**Andean Swift** (*Aeronautus andecolus*)

On 11-08 2 exx. Abra Barro Negro.

On 12-08 12 exx. between Hacienda Limon and Celendin.

**Fork-tailed Palm-Swift** (*Reinarda squamata*)

On 7-08 50+ Morro de Calzada.

On 8-08 10+ Tarapoto (tunnel area). On 9-08 20+ Tarapoto – Rioja.

**HUMMINGBIRDS - TROCHILIDAE**

**Green Hermit** (*Phaethornis guy*)

On 6-08 2 exx. Aguas Verdes.

**\* KOEPCKE'S HERMIT** (*Phaethornis koepckeae*)

On 9-08 3 exx. along the Yurimagas Road, Tarapoto.

Uncommon species east slope of the Andes and considered “Near-Threatened.”

**Tawny-bellied Hermit** (*Phaethornis syrrmatophorus*)

On 2-08 1 ex. Chirinos Road, Tamborapa.

**Baron's Hermit** (*Phaethornis baroni*)

The Long-tailed Hermit observed in a small gulley near Abra Porculla on 1-08 was this species. Split from **Western Long-tailed Hermit** (*P. longirostris*)

**Grey-chinned Hermit** (*Phaethornis griseogularis griseogularis*)

On 6-08 1 ex. of the nominate form at Afluente.

**Grey-chinned (Porculla) Hermit** (*Phaethornis griseogularis porcullae*)

On 1-08 common at Abra Porculla.

Possible split **Porculla Hermit** (*Phaethornis porcullae*)

**Green-fronted Lancebill** (*Doryfera ludovicianae*)

On 7-08 1 ex. at Morro de Calzada

**Blue-fronted Lancebill** (*Doryfera johannae*)

On 5-08 1 ex. near Afluente.

On 6-08 5 exx. Aguas Verdes area.

**Gray-breasted Sabrewing** (*Campylopterus largipennis*)

On 8-08 8 exx. Yurimagas Road, Tatapoto.

On 10, 11 and 12-08 single birds between Pomacocha and Cajamarca.

**Napo Sabrewing** (*Camphylopterus villaviscensio*)

On 6-08 2 exx. Aguas Verdes.

On 10-08 1 ex. near Pomacochas.

Uncommon anywhere and considered "near-threatened."

**Sparkling Violetear** (*Colibri coruscans*)

Common at Pomacochas area and also single birds at Abra Patricia.

On 12-08 5 exx. near Cajamarca.

Single birds at Carpath Tunnel/Paty Trail.

**Violet-headed Humminbird** (*Klais guimeti*)

On 6-08 4 exx. Aguas Verdes area.

**Wire-crested Thorntail** (*Discosura popelairii*)

On 6-08 a nice male near Aguas Verdes.

On 10-08 1 ex. Pedro Ruiz.

**White-chinned Sapphire** (*Hylocharis cyanus*)

On 8-08 1 ex. along the Yurimagas Road near Tarapoto.

**Golden-tailed Sapphire** (*Chrysuronia oenone*)

On 8-08 1 ex. Tarapoto. (tunnel area)

**Tumbes Hummingbird** (*Leucippus baeri*)

On 31-07 1 ex. Quebrada Frejolillo (Limon).

**\* SPOT-THROATED HUMMINGBIRD** (*Leucippus taczanowski*)

On 2-08 1 ex. Chirinos Road, Tamborapa near Jaen.

**White-bellied Hummingbird** (*Leucippus chionogaster*)

On 1-08 1 ex. near Jaen.

On 3-08 1 ex. Pomacochas.

On 10-08 10 exx. in a flowering tree, Pedro Ruiz.

On 11 and 12-08 2-3 exx. Hacienda Limon.

**Amazilia Hummingbird** (*Amazilia amazilia*)

Common at Batan Grande and Quebrada Limon and near Jaen.

On 13-08 1 ex. San Marcos, near Cajamarca.

On 25-08 a few Santa Eulalia Valley.

**Ecuadorian Piedtail** (*Phlogophilus hemileucurus*)

On 6-08 1 ex. seen well in the road-side scrub at Afluente. Uncommon and local and considered "Near-Threatened."

**Speckled Hummingbird** (*Adelomyia melanogenys*)

Single birds daily Abra Patricia area.

**Fawn-breasted Brilliant** (*Heliodoxa rubinoides*)

On 18-08 1 ex. along the Paty Trail.

**Pink-throated Brilliant** (*Heliodoxa gularis*)

On 9-08 1 pair Juan Guerra, Tarapoto. Good views of this rarely seen hummer.

This species is considered "Near-Threatened."

**Chestnut-breasted Coronet** (*Boissonneaua matthewsii*)

On 4-08 1 ex. Pomacochas. (Spatuletail site)

On 18-08 2 exx. Carpish Tunnel and on 23-08 1 ex. Paty Trail.

**Shining Sunbeam** (*Aglaeactis cupripennis*)

On 11-08 4 exx. Abra Barro Negro area.

**\* BLACK-BREASTED HILLSTAR** (*Oreotrochilus melanogaster*)

On 16-08 1 male Marcopomacocha area.

**Green-headed Hillstar** (*Oreotrochilus stolzmanni*)

On 24-08 excellent views of at least 4 males of this rare and localised species in a valley at km 142 between Huanuco and Lima.

**Bronzy Inca** (*Coeligena coeligena*)

A total of 3 exx. on 2 dates along the Paty Trail.

**Collared Inca** (*Coeligena torquata*)

On 4 and 5-08 1-3 exx. Afluente area.

Common in the Carpish Tunnel/Paty Trail area.

**Violet-throated Starfrontlet** (*Coeligena violifer*)

Daily up to 3 exx. along the Paty Trail and Carpish Tunnel.

Single birds at Bosque Unchog.

**Rainbow Starfrontlet** (*Coeligena iris*)

On 4-08 2 exx. Abra Patricia.

On 11-08 1 ex. at Abra Barro Negro.

**Sword-billed Hummingbird** (*Ensifera ensifera*)

On 11-08 2 exx. at Abra Barro Negro. Stunning views of a bird returning several times to the same patch of road-side flowers.

On 20-08 1 ex. Bosque Unchog.

**Great Sapphirewing** (*Pterophanes cyanopterus*)

A total of 7 exx. on 3 dates at Bosque Unchog.

**Giant Hummingbird** (*Patagona gigas*)

On 12-08 3 exx. between Hacienda Limon and Cajamarca.

On 17-08 7 exx. Upper Santa Eulalia Valley.

**Amethyst-throated Sunangel** (*Helianthus amethysticollis*)

Common at Carpish Tunnel. Found a nest.

Single birds along the Paty Trail.

**\* ROYAL SUNANGEL** (*Helianthus regalis*)

On 3-08 1 male and on 5-08 3 males Abra Patricia. Considered "Endangered."

**Emerald-bellied Puffleg** (*Eriocnemis alinae*)

On 4-08 2 exx. Abra Patricia.

**Booted Racket-tail** (*Ocreatus underwoodii*)

On 4 and 5-08 1 resp. 2 exx. Abra Patricia.

**Green-tailed Trainbearer** (*Lesbia nuna*)

Up to 10 exx. at the Spatuletail site near La Florida on 3 and 4-08.

On 12-08 2 exx. Rio Chonta, Cajamarca.

**Bronze-tailed Comet** (*Polyonymus caroli*)

On 15-08 2 exx. and on 25-08 3 exx. Upper Santa Eulalia Valley.

**Tyrian Metaltail** (*Metallura tyrianthina*)

Seen twice at Carpish Tunnel.

**\* COPPERY METALTAIL** (*Metallura theresiae*)

Common at Bosque Unchog.

**\* BLACK METALTAIL** (*Metallura phoebe*)

On 12-08 1 ex. between Celendin and Cajamarca.

On 16-08 3 exx. Upper Santa Eulalia Valley.

**Olivaceous Thornbill** (*Chalcostigma olivaceum*)

On 16-08 1 ex. Marcopomacocha.

**\* GRAY-BELLIED COMET** (*Taphrolesbia griseiventris*)

On 12-08 1 male Rio Chonta near Cajamarca. We were rather late in the afternoon at the site and we were lucky that after an hour of searching a male turned up and gave brief but good views to most of us. Considered "Endangered."

**Long-tailed Sylph** (*Agelaiocercus kingi*)

On 4-08 2 exx. Pomacochas.

On 18-08 1 ex. Paty Trail.

**Black-eared Fairy** (*Heliothryx aurita*)

On 6 1 ex. near Aguas Verdes.

On 7-08 1 ex. Morro de Calzada.

**\* MARVELOUS SPATULETAIL** (*Loddigesia mirabilis*)

On 3-08 5 and on 4-08 2 exx. near Pomacochas. Unfortunately only females, immature males and a male without streamers. Considered "Endangered."

**Oasis Hummingbird** (*Rhodopis vesper*)

On 1-08 1 ex. Seminario road near Jaen.

On 13-08 1 ex. San Marcos near Cajamarca.

On 25-08 2 exx. Santa Eulalia Valley.

**Peruvian Sheartail** (*Thaumastura cora*)

At least 4 exx. Lower Santa Eulalia Valley.

**Purple-collared Woodstar** (*Myrtis fanny*)

On 13-08 1 female San Marcos near Cajamarca.

**Short-tailed Woodstar** (*Myrmia micrura*)

On 31-07 3 exx. Quebrada Frejolillo (Limon).

**White-bellied Woodstar** (*Chaetocercus mulsant*)

On 12-08 1 ex. Hacienda Limon.

**Little Woodstar** (*Chaetocercus bombus*)

On 10-08 3 exx. (including 1 male) near Pedro Ruiz. Considered "Vulnerable."

**TROGONS - TROGONIDAE****Ecuadorian Trogon** (*Trogon mesurus*)

On 31-07 2 exx. Quebrada Frejolillo (Limon).

**Amazonian White-tailed Trogon** (*Trogon viridis*)

On 8-08 2 exx. Yurimagas Road, Tarapoto.

**Collared Trogon** (*Trogon collaris*)

On 8-08 2 exx. Yurimagas Road, Tarapoto.

**Masked Trogon** (*Trogon personatus*)

On 19-08 1 ex. (female) Paty Trail.

**Crested Quetzal** (*Pharomachrus antisianus*)

On 23-08 1 pair along the Paty Trail gave good views.

**Golden-headed Quetzal** (*Pharomachrus auriceps*)

On 19 and 23-08 heard along the Paty Trail

**KINGFISHERS - ALCEDINIDAE**

**Ringed Kingfisher** (*Ceryle torquata*)

On 9-08 3 exx. during our lunch stop 4.5 km. west of Rioja.

**Green Kingfisher** (*Chloroceryle Americana*)

On 30 and 31-07 1 ex. near Limon and at a bridge near Olmos.

**MOTMOTS - MOMOTIDAE**

**Blue-crowned Motmot** (*Momotus momota*)

On 31-07 2 exx. Quebrada Frejolillo (Limon).

**Rufous Motmot** (*Baryphengus martii*)

On 7-08 1 ex. Morro de Calzada. 2 more heard.

**NUNBIRDS - MONASA**

**Black-fronted Nunbird** (*Monasa nigrifrons*)

On 9-08 2/3 exx. Juan Guerra and at our lunch stop 4.5 km. west of Rioja.

**Swallow-wing** (*Chelidoptera tenebrosa*)

Common near Aguas Verdes.

**BARBETS - CAPITONIDAE**

**Scarlet-crowned Barbet** (*Capito aurovirens*)

On 7-08 1 ex. Morro de Calzada.

**Gilded Barbet** (*Capito auratus*)

On 7-08 1 ex. Morro de Calzada.

On 8-08 6 exx. along the Yurimagas Road, Tarapoto.

**Lemon-throated Barbet** (*Eubucco richardsoni*)

On 6-08 3 exx. Afluente area.

**TOUCANS - RAMPHASTIDAE**

**Black-throated Toucanet** (*Aulacorhynchus atrogularis*)

Split from **Emerald Toucanet** (*A. prasinus*)

On 5-08 1 ex. Abra Patricia.

**Chestnut-tipped Toucanet** (*Aulacorhynchus derbianus*)

On 6-08 2 exx. Afluente.

**Lettered Aracari** (*Pteroglossus inscriptus*)

On 7-08 2 exx. Morro de Calzada.

**Gray-breasted Mountain-Toucan** (*Andigena hypoglaucha*)

Excellent views of 2 exx. on 19-08 at Carpath Tunnel.

On 23-08 1 ex. Paty Trail. Considered "Near-Threatened."

**Golden-collared Toucanet** (*Selenidera reinwardtii*)

On 8-08 3 exx. along the Yurimagas Road near the tunnel, Tarapoto.

**WOODPECKERS - PICIDAE**

**Lafresnay's Piculet** (*Picumnus lafresnayi*)

On 6-08 3 exx. Afluyente.

**Ecuadorian Piculet** (*Picumnus sclateri*)

On 1-08 4 exx. Abra Porculla.

**\* SPECKLE-BREASTED PICULET** (*Picumnus steindachneri*)

On 5-08 2 exx. Afluyente.

On 6-08 1 ex. Aguas Verdes.

Considered "Vulnerable" because of its very limited range, although fairly common here.

**Yellow-tufted Woodpecker** (*Melanerpes cruentatus*)

On 6-08 1 ex. Aguas Verde.

On 7-08 10 exx. Morro de Calzada.

**Scarlet-backed Woodpecker** (*Veniliornis callonotus*)

On 30-07 common Batan Grande/Bosque de Pomac..

**Bar-bellied Woodpecker** (*Veniliornis nigriceps*)

On 5-08 1 ex. Afluyente.

On 19 and 14-08 1 ex. Paty Trail.

**Smoky-brown Woodpecker** (*Veniliornis fumigatus*)

On 1-08 1 ex. near Jaen.

On 5-08 2 exx. Abra Patricia.

On 12-08 2 exx. Abra Gran Chimu.

**Little Woodpecker** (*Veniliornis passerinus*)

On 6-08 1 ex. Aguas Verde.

On 7-08 2 exx. Morro de Calzada.

**\* BLACK-NECKED WOODPECKER** (*Colaptes atricollis*)

On 30-07 2 exx. Batan Grande.

On 15-08 1 ex. Lomas de Lachay.

On 15 and 25-08 1 ex. Santa Eulalia Valley.

**Andean Flicker** (*Colaptes rupicola*)

On 11 and 12-08 3/4 exx. between Leimebamba and Cajamarca.

Daily 2/3 exx. Bosque Unchog.

**Lineated Woodpecker** (*Dryocopus lineatus*)

On 7-08 2 exx. Morro de Calzada.

**Powerful Woodpecker** (*Dryocopus pollens*)

On 23-08 1 male along the Paty Trail.

**Crimson-crested Woodpecker** (*Campephilus melanoleucos*)

On 9-08 1 ex. near Tarapoto.

**Guayaquil Woodpecker** (*Campephilus gayaquilensis*)

On 31-07 2 exx. heard Quebrada Frejolillo) Limon.

**OVENBIRDS - FURNARIIDAE**

**\* COASTAL MINER** (*Geositta peruviana*)

On 14-08 3 exx. near Huarmey.

Common Lomas de Lachay.

**Grayish Miner** (*Geositta maritima*)

On 15-08 10+ at Lomas de Lachay.

**Common Miner** (*Geositta canicularia*)

On 24-07 2 exx. near Junin.

**\* DARK-WINGED MINER** (*Geositta saxicollina*)

On 16-08 2 exx. Marcopomacocha area.

\* **THICK-BILLED MINER** (*Geositta crassirostris*)

On 15-08 3 exx. Lomas de Lachay.

**Slender-billed Miner** (*Geositta tenuirostris*)

On 24-08 1 ex. during a roadstop near de Marcopomacocha turnoff along the Central Highway was the only one seen.

**Plain-breasted Earthcreeper** (*Upucerthia jelskii*)

On 16-08 6 exx. Upper Santa Eulalia Valley.

On 17-08 2 exx. and on 24-08 4 exx. km.142 between Huanuco – Lima.

\* **STRIATED EARTHCREEPER** (*Upucerthia serrana*)

On 16-08 1 ex. Upper Santa Eulalia Valley.

On 24-08 2 exx. km.142 between Huanuco – Lima.

\* **PERUVIAN SEASIDE CINCLODES** (*Cinclodes taczanowskii*)

On 14-08 1 ex. in the harbour of Huarmey.

**Bar-winged Cinclodes** (*Cinclodes fuscus*)

On 11-08 1 ex. near Abra Barro Negro.

Common in suitable habitat in central Peru like Marcopomacocha.

**White-winged Cinclodes** (*Cinclodes aricomae*)

On 12-08 2 exx. Grey-bellied Comet site near Cajamarca.

Less common than previous species in more or less the same habitat.

\* **WHITE-BELLIED CINCLODES** (*Cinclodes palliates*)

Excellent and close views of 2 exx. on 16-08 Marcopomacocha area.

Rare and local in the high andes of central Peru. Considered “Vulnerable.”

**Pale-legged Hornero** (*Furnarius leucopus*)

On 9-08 2 exx. Juan Guerra near Tarapoto.

**Pacific Hornero** (*Furnarius cinnamomeus*)

Common pacific lowlands.

\* **RUSTY-CROWNED TIT-SPINETAIL** (*Leptasthenura pileata*)

On 16-08 10+ Upper Santa Eulalia Valley.

On 17 and 24-08 single birds in the polylepis at km.142 between Huanuco – Lima.

**White-chinned Thistletail** (*Schizoeaca fuliginosa ssp. peruviana*)

On 11-08 2 exx. taped in between Leimebamba and Balsas.

**White-chinned Thistletail** (*Schizoeaca fuliginosa ssp. plengei*)

On 21-08 1 ex. taped in at Bosque Unchog. More were heard.

Most likely a valid endemic species. **Plenge’s Thistletail** (*Schizoeaca plengei*)

**Rufous Spinetail** (*Synallaxis unirufa*)

On 18-08 10 exx. + 19 and 23-08 2 exx. Carpish Tunnel/Paty Trail.

**Azara’s Spinetail** (*Synallaxis azarae*)

Daily a few observed Abra Patricia and Carpish Tunnel/Paty Trail.

**Elegant Spinetail** (*Synallaxis ochracea*)

Possible split from **Azara’s Spinetail** (*S. azarae*.)

On 1-08 1 ex. Abra Porculla area.

On 2-08 4 exx. Chirinos road near Tamborapa north of Jaen.

**Dark-breasted Spinetail** (*Synallaxis albigularis*)

6-08 2 exx. near Aguas Verdes.

**Marañon Spinetail** (*Synallaxis maranonica*)

On 1 and 2-08 up to 6 exx. in areas near Jaen. (Seminario area and Tamborapa)

Considered “vulnerable” because of its very limited range.

**Necklaced Spinetail** (*Synallaxis stictothorax*)

Common at Batan Grande and Quebrada Frejolilli (Limon).

\* **CHINCHIPE SPINETAIL** (*Synallaxis chinchipensis*)

On 2-08 10+ along the Chirinos road near Tamborapa north of Jaen.

\* **GREAT SPINETAIL** (*Siptornopsis hypochondriacus*)

On 13-08 10 exx. at the San Marcos site near Cajamarca. This species has a very limited distribution and is currently only known from 3 localities.

Considered "Vulnerable".

**White-browed Spinetail** (*Hellmayrea gularis*)

On 21-08 2 exx. at Bosque Unchog.

\* **BARON'S SPINETAIL** (*Cranioleuca baroni*)

On 10 and 11-08 single birds seen near Leimebamba.

Common at lower parts of Bosque Unchog.

**Line-cheeked Spinetail** (*Cranioleuca antisimensis*)

On 1-08 1 ex. Abra Porculla.

\* **CANYON CANASTERO** (*Asthenes pundibunda*)

On 17-08 2 exx. and on 25-08 3 exx. Upper Santa Eulalia Valley.

**Cordilleran Canastero** (*Asthenes modesta*)

On 24-08 2 exx. near Lake Junin.

\* **CACTUS CANASTERO** (*Asthenes cactorum*)

On 15-08 4 exx. Lomas de Lachay.

**Streak-throated Canastero** (*Asthenes humilis*)

On 16-08 1 ex. and on 24-08 2/3 exx. Marcopomacocha area.

\* **JUNIN CANASTERO** (*Asthenes virgata*)

On 16-08 good views of at least 3 exx. Marcopomacocha area.

**Line-fronted Canastero** (*Asthenes urubambensis*)

On 20-08 2 exx. and on 21-08 1 ex. Bosque Unchog.

It is rare/uncommon in paramo grasslands, mossy slopes with scrub and elfin forest and considered "Near-Threatened."

**Common Thornbird** (*Phacellodomus rufifrons ssp. peruvianus*)

Sometimes split of as **Marañon Thornbird** (*Ph. peruvianus*)

Up to 10 near Jaen on 1 and 2-08.

\* **CHESTNUT-BACKED THORNBIRD** (*Phacellodomus dorsalis*)

On 12-08 excellent views of 1 ex. near Hacienda Limon. At least 3 more heard.

This species has a very restricted range and is considered "Endangered."

\* **RUSSET-MANTLED SOFTTAIL** (*Phacellodomus berlepschi*)

On 11-08 excellent views of this sought-after species near Abra Barro Negro.

We observed 2 exx. in a flock. Considered "Endangered."

**Wren-like Rushbird** (*Phleocryptes melanops*)

On 14-08 2 exx. at swamp near Trujillo. (Panam Hwy km.450)

On 17-08 common at Lake Junin.

**Equatorial Graytail** (*Xenerpestes singularis*)

On 5-08 great views of single birds in a flock near Afluente.

With a limited range in threatened habitat it is considered "Near-Threatened."

**Pearled Treerunner** (*Margarornis squamiger*)

Up to 3 exx. daily in the Abra Patricia area.

Up to 6 exx. daily in Carpath Tunnel/Paty Trail area.

Up to 4 exx. daily Bosque Unchog.

**Streaked Tuftedcheek** (*Pseudocolaptes boissonneautii*)

On 5-08 1 ex. Afluente.

On 18-08 5 exx. Paty Trail.

**Striped Treehunter** (*Thripadectes holostictus*)

On 21-08 1 ex. Bosque Unchog.

**Lineated Foliage-gleaner** (*Syndactyla subalaris*)

On 3-08 1 ex. Abra Patricia.

**Rufous-necked Foliage-gleaner** (*Syndactyla ruficollis*)

On 1-08 twice seen at Abra Porculla.

This species has declined recently and though locally common is considered “Vulnerable.”

**Rufous-tailed Foliage-gleaner** (*Phylidor ruficaudatus*)

On 5-08 1 ex. Afluente.

**Buff-fronted Foliage-gleaner** (*Phylidor rufus*)

On 5 and 6-08 1 ex. Afluente area.

**Buff-throated Foliage-gleaner** (*Automolus ochrolaemus*)

On 8-08 1 ex. along the Yurimaguas road (tunnel area) near Tarapoto.

On 23-08 1 ex. Paty Trail.

**Chestnut-crowned Foliage-gleaner** (*Automolus rufipileatus*)

On 8-08 1 ex. tunnel area along the Yurimagas Road, Tarapoto.

**Henna-hooded Foliage-gleaner** (*Hylocryptus erythrocephalus*)

On 31-07 2 exx. Quebrada Frejolillo (Limon).

On 1-08 4 exx. Abra Porculla. Considered “Vulnerable.”

**Streaked Xenops** (*Xenops rutilans*)

On 2 and 5/08 2 exx. Abra Patricia.

**WOODCREEPERS - DENDROCOLAPTIDAE****Olivaceous Woodcreeper** (*Sittasomus griseicapillus*)

On 6-08 2 exx. Afluente.

**Streak-headed Woodcreeper** (*Lepidocolaptes souleyeti*)

Up to 10 on 30 and 31-07 Quebrada Limon area.

**Buff-throated Woodcreeper** (*Xiphorhynchus guttatus*)

On 8-08 1 ex along the Yurimaguas Road, Tarapoto.

**Montane Woodcreeper** (*Lepidocolaptes lacrymiger*)

On 4-08 1 ex. Abra Patricia.

Up to 3 exx. daily in the Carpish Tunnel/Paty Trail area.

**Lineated Woodcreeper** (*Lepidocolaptes albolineatus*)

On 3-08 1 ex. Abra Patricia.

On 7-08 1 ex. Morro de Calzada.

**ANTBIRDS - THAMNOPHILIDAE****Collared Antshrike** (*Sakesphorus bernardi*)

On 30-07 1 ex. Batan Grande and 3 exx. near Limon.

On 31-07 up to 10 exx. Quebrada Frejolillo and Limon area.

On 1-08 1 ex. Abra Porculla.

**Barred Antshrike** (*Thamnophilus doliatus*)

On 9-08 4 exx. Juan Guerra, near Tarapoto.

**Chapman's Antshrike** (*Thamnophilus zurumae*)

Common Abra Porculla on 1-08.

**Lined Antshrike** (*Thamnophilus tenuipunctatus*)

Common Afluente area.

**Uniform Antshrike** (*Thamnophilus unicolor*)

On 4-08 1 pair Abra Patricia. On 5-08 1 ex. heard at Abra Patricia.

On 18-08 2 exx. Carpish Tunnel.

**Marañon Slaty Antshrike** (*Thamnophilus leucogaster*)

On 2-08 good views of at least 3 exx. along the Chirinos road near Tamborapa, north of Jaen. Some more were heard. Also 2 exx. seminar area near Jaen.

**Huallaga Slaty Antshrike** (*Thamnophilus leucogaster ssp. huallagae*)

Possible split from Marañon Slaty Antshrike.

On 9-08 common Juan Guerra, near Tarapoto. At least 5 exx. seen well.

**Variable Antshrike** (*Thamnophilus caerulescens*)

On 8-08 1 ex. observed along the Yurimagas Road, Tarapoto.

On 23-08 1 female along the Paty Trail.

**Rufous-capped Antshrike** (*Thamnophilus ruficapillus*)

On 4-08 heard near La Florida, Spatuletail site.

**White-flanked Antwren** (*Myrmotherula axillaries*)

On 7-08 1 male at Morro de Calzada.

On 8-08 5+ along Yurimagas Road.

**\* ASH-THROATED ANTWRN** (*Herpsilochmus parkeri*)

On 6-08 excellent views of a very responsive bird at Afluente.

Another ex. heard in the same area. A very rare bird with a restricted range and known from only 2 localities. Only discovered in 1983 and population estimated at less than 1000 pairs. Considered "Endangered."

**Rufous-winged Antwren** (*Herpsilochmus rufimarginatus*)

On 6-08 2 exx. Aguas Verdes area.

**Rusty-backed Antwren** (*Formicivora rufa*)

On 9-08 2 exx. Juan Guerra.

**Long-tailed Antbird** (*Drymophila caudate*)

A total of 5 exx. on 3 dates along the Paty Trail.

**Blackish Antbird** (*Cercomacra nigrescens*)

On 9-08 1 pair observed Juan Guerra.

**White-browed Antbird** (*Myrmoborus leucophrys*)

On 9-08 excellent views of 1 ex. Juan Guerra. Another one was heard.

**ANTPITTAS - FORMICARIIDAE****Undulated Antpitta** (*Grallaria squamigera*)

Daily 1-2 exx. heard at Bosque Unchog.

**Chestnut-crowned Antpitta** (*Grallaria ruficapilla*)

On 1-08 1 ex. heard Abra Porculla.

On 11-08 1 ex. heard at Abra Barro Negro.

On 13-08 excellent views of 1 ex. at km. 129 between Cajamarca and the Panamericana.

**Watkin's Antpitta** (*Grallaria watkinsi*)

On 1-08 2 exx. heard at Abra Porculla.

**Stripe-headed Antpitta** (*Grallaria andicola*)

On 17-08 1 ex. km. 142 and in the early morning of 24-08 at least 10 exx. seen very well at the same site.

**\* RUSTY-TINGED ANTPITTA** (*Grallaria przewalski*)

Daily 1-2 exx. heard Abra Patricia.

**\* BAY ANTPITTA** (*Grallaria capitalis*)

Regularly heard Carpath Tunnel and Paty Trail. After several brief views I finally obtained excellent and lengthy views of a foraging bird at close range on 23-08 along the Paty Trail.

**Rufous Antpitta** (*Grallaria rufula ssp. obscurus*)

Daily heard at Bosque Unchog. I had twice great and close views of this species.

Possible split.

\* **CHESTNUT ANTPITTA** (*Grallaria blakei*)

On 5-08 1 ex.heard Abra Patricia.

Daily 1-2 exx.heard Carpish Tunnel/Paty Trail.

On 18-08 brief but good views of a bird crossing the trail at Carpish Tunnel.

Patchily distributed in its range and generally uncommon. "Near-Threatened."

**Rusty-breasted Antpitta** (*Grallaricula ferrugineipectus*)

On 5-08 excellent views of a pair at the ridge trail, Abra Patricia.

Regularly heard along the Paty Trail.

On 19-08 2 exx.seen along the Paty Trail.

**TAPACULOS - RHINOCRYPTIDAE**

**Elegant Crescentchest** (*Melanopareia elegans*)

On 31-07 at least 4 exx. seen at Quebrada Frejolillo (Limon).

On 1-08 3 exx. at Abra Porculla.

**Marañon Crescentchest** (*Melanopareia mararonica*)

On 1-08 heard and on 2-08 excellent views of 1 pair at Seminario, Jaen.

Considered "Near-Threatened."

**Northern White-crowned Tapaculo** (*Scytalopus atratus*)

A few heard at the Afluente area.On 4-08 1 ex.came in to within a few meters.

\* **TSCHUDI'S TAPACULO** (*Scytalopus acutirostris*)

On 18-08 1 ex.heard at Carpish Tunnel.

Daily heard at Bosque Unchog.On 20-08 excellent views of a taped in bird.

**Trilling Tapaculo** (*Scytalopus parvirostris*)

Daily heard along the Paty Trail and seen twice.

\* **NEBLINA TAPACULO** (*Scytalopus altirostris*)

On 19-08 twice heard at Bosque Unchog.

\* **LARGE-FOOTED TAPACULO** (*Scytalopus macropus*)

On 11-08 heard and taped at Abra Barro Negro.

On 18-08 1 ex.observed at Carpish Tunnel.

\* **PERUVIAN RUFOUS-VENTED TAPACULO** (*Scytalopus femoralis*)

Commonly heard at Abra Patricia.On 3-08 1 ex.taped in at Valle Hermosa Trail.

A few heard along the Paty Trail.

**COTINGAS - COTINGIDAE**

**Red-crested Cotinga** (*Ampelion rubrocristata*)

On 11-08 2 exx. Abra Barro Negro.

On 12-08 2 exx. Abra Gran Chimu.

On 18-08 10+ at Carpish Tunnel.

On 19-08 3 exx. Paty Trail.

On 21-08 2 exx. Bosque Unchog.

\* **BAY-VENTED COTINGA** (*Doliornis sclateri*)

On 21-08 excellent views of a perched bird at Bosque Unchog.

\* **WHITE-CHEEKED COTINGA** (*Zaratornis stresemanni*)

On 16-08 4 exx. Upper Santa Eulalia.Good views of these birds in the early morning sun, perched on top of trees in the polylepis forest .

The species is patchily distributed in de Cordillera Occidental of the andes in Peru.

Considered "Vulnerable."

**Green & Black Fruiteater** (*Pipreola riefferii ssp.cachapoyas*)

A total of 6 birds on 3 dates Abra Patricia.

**Green & Black Fruiteater** (*Pipreola riefferii* ssp. *tallmanorum*)

Possible a valid species **Huanuco Fruiteater** (*p. tallmanorum*)

On 19-08 4 exx. and on 23-08 6 exx. Paty Trail.

**Band-tailed Fruiteater** (*Pipreola intermedia*)

On 19-08 1 male along the Paty Trail.

On 21-08 3 exx. Bosque Unchog.

**Barred Fruiteater** (*Pipreola arcuata*)

On 18-08 1 ex. Carpish Tunnel.

**White-browed Purpletuft** (*Lodopleura isabellae*)

On 6-08 3 exx. near Aguas Verdes.

**\* PERUVIAN PLANTCUTTER** (*Phytotoma raimondii*)

On 30-07 30+ at Batan Grande.

Declining. Remaining habitat is rapidly disappearing. Considered "Endangered"

**Amazonian Umbrellabird** (*Cephalopterus ornatus*)

On 5-08 2 exx. and on 9-08 1 ex. Afluente.

**Andean Cock-of-the-Rock** (*Rupicola peruviana*)

On 5-08 5 exx. and on 6-08 2 exx. Afluente. Heard in the same area on 9-08.

**MANAKINS - PIPRIDAE**

**Golden-headed Manakin** (*Pipra erythrocephala*)

On 7-08 1 female Morro de Calzada.

On 8-08 1 male along the Yurimaguas Road.

**Fiery-capped Manakin** (*Machaeropterus regulus*)

On 7-08 1 male near Tarapoto.

On 9-08 1 male at our lunch stop 4.5 km. west of Rioja.

**TYRANT FLYCATCHERS - TYRANNIDAE**

**Streak-necked Flycatcher** (*Mionectes striaticollis*)

On 4 and 5-08 2-3 exx. Abra Patricia.

**\* INCA FLYCATCHER** (*Leptopogon taczanowskii*)

On 4-08 1 ex. at Abra Patricia. On 5-08 2 exx. Afluente area.

On 18-08 1 ex. and on 23-08 6 exx. along the Paty Trail.

An uncommon endemic of the eastern slope.

**Rufous-headed Pygmy-Tyrant** (*Pseudotriccus ruficeps*)

On 4-08 heard at Abra Patricia.

On 19-08 1 ex. observed at Carpish Tunnel.

On 22 and 23-08 1 ex. seen along the Paty Trail.

**\* LULU'S PYGMY-TYRANT** (*Poecilatriccus luluae*)

On 3-08 excellent views of 2 exx. of this beautiful endemic at Valle Hermosa, Abra Patricia.

**Black & White Tody-Tyrant** (*Poecilatriccus capitalis*)

On 7-08 excellent views of a pair at Morro de Calzada.

**Flammulated Bamboo-Tyrant** (*Hemitriccus flammulatus*)

On 9-08 1 ex. Juan Guerra near Tarapoto.

**Stripe-necked Tody-Tyrant** (*Hemitriccus striaticollis*)

On 7-08 a very vocal bird observed along the entrance road, Morro de Calzada.

**Cinnamon-breasted Tody-Tyrant** (*Hemitriccus cinnamomeipectus*)

On 4-08 1 ex. heard near Alto Nieves, Abra Patricia.

Unfortunately it did not respond to the tape. Considered "Near-Threatened."

**Common Tody-Flycatcher** (*Todirostrum cinereum*)

A total of 10 exx. observed on 6 dates in Northern Peru.

**Plumbeous-crowned Tyrannulet** (*Phyllomyias plumbeiceps*)

On 5-08 2 exx. Afluente area.

**\* PERUVIAN TYRANNULET** (*Zimmerius viridiflavus*)

On 23-08 2 exx. along the Paty Trail.

**Golden-faced Tyrannulet** (*Zimmerius chrysops*)

On 5 and 6-08 2 and 3 exx. Afluente Area.

**White-lored Tyrannulet** (*Orbithion inermis*)

On 8-08 1 ex. near the tunnel, Tarpoto.

**Southern Beardless Tyrannulet** (*Camptostoma obsoletum*)

On 7-08 1 ex. Morro de Calzada.

On 9-08 1 ex. Rioja.

On 10-08 3 exx. along the Rio Utcubamba.

On 11-08 10 exx. Abra barro Negro.

13-08 2 exx. San Marcos site near Cajamarca.

**Tumbes Tyrannulet** (*Phaeomyias tumbezana*)

Split from **Mouse-coloured Tyrannulet** (*P. murina*)

Common Batan Grande, Quebrada Limon and near Jaen.

**Gray & White Tyrannulet** (*Pseudelaenia leucospodia*)

On 30-07 5 exx. in the dry acacia woodlands between the Panamericana and Limon. A Tumbesian specialty.

**Pacific Elaenia** (*Myiopagis subplacens*)

Common Batan Grande and Quebrada Limon. Another Tumbesian specialty.

**Yellow-bellied Elaenia** (*Elaenia flavogaster*)

On 9-08 1 ex. Juan Guerra.

On 10-08 3 exx. en route to Leimebamba.

**White-crested Elaenia** (*Elaenia albiceps*)

On 2-08 2 exx. Abra Patricia and on 5-08 1 ex. Afluente.

On 13-08 2 exx. San Marcos near Cajamarca.

**Lesser Elaenia** (*Elaenia chiriquensis*)

On 7-08 1 ex. at Morro de Calzada.

**Sierran Elaenia** (*Elaenia pallatangae*)

Daily a few at Abra Patricia and a few observed along the Paty Trail.

**White-throated Tyrannulet** (*Mecocerculus leucophrys*)

Daily 10+ at Bosque Unchog.

**White-tailed Tyrannulet** (*Mecocerculus poecilocercus*)

On 1-08 1 ex. Abra Porculla.

On 19-08 2 exx. and on 23-08 1 ex. along the Paty Trail.

**Sulphur-bellied Tyrannulet** (*Mecocerculus minor*)

Single birds observed on 5 and 6-08 in the Afluente area.

**White-banded Tyrannulet** (*Mecocerculus stictopterus*)

On 11-08 2 exx. Abra Barro Negro.

On 19-08 twice observed along the Paty Trail.

**Torrent Tyrannulet** (*Serpophaga cinerea*)

On 2-08 1 ex. between Jaen and Bagua Chica.

On 10, 11 and 12-08 1-2 exx. between Pedro Ruiz and Cajamarca.

**\* UNSTREAKED TIT-TYRANT** (*Uromyias agraphia*)

Only 1 ex. observed in a small flock, Paty Trail on 19-08.

**Black-crested (Marañon) Tit-Tyrant** (*Anairetes nigrocristatus*)

On 11 1 ex. near Abra Barro Negro

On 12-08 1-2 exx. near Celendin.

**Pied Crested Tit-Tyrant** (*Anairetes reguloides*)

On 15 and 16-08 1-2 exx. Upper Santa Eulalia valley.

On 25-08 4 exx. near San Pedro de Caste.

**Yellow-billed Tit-Tyrant** (*Anairetes flavirostris*)

On 15-08 1 ex. and on 25-08 1 ex. Upper Santa Eulalia.

**Tufted Tit-Tyrant** (*Anairetes parulus*)

On 17-08 6 exx. between La Oroya – Huanuco. On 24-08 4 exx. same site.

On 20-08 1 ex. near Bosque Unchog. On 25-08 3 exx. Upper Santa Eulalia.

**Many-colored Rush-Tyrant** (*Tachuris rubrigastra*)

On 14-08 5 exx. coastal swamp near Trujillo. (Panam Hwy km.450)

On 17-08 common Lake Junin.

**Tawny-crowned Pygmy-Tyrant** (*Euscarthmus meloryphus*)

On 30-07 2 exx. Batan Grande and on 30 and 31-07 1 ex. Quebrada Limon.

On 1-08 1 ex. Seminario area, Jaen.

On 2-08 3 exx. Seminario and along the Chirirnos road Tamborapa, Jaen.

On 13-08 1 ex. San Marcos.

**Marble-faced Bristle-Tyrant** (*Pogonotriccus ophthalmicus*)

On 6-08 1 ex. Afluente.

On 8-08 2 exx. tunnel area near Tarapoto.

**Variegated Bristle-Tyrant** (*Pogonotriccus poecilotis*)

On 5-08 1 ex. Afluente.

**Ecuadorian Tyrannulet** (*Phylloscartes gualaquizae*)

On 6-08 3 exx. seen Afluente area. More birds were heard.

**Yellow Tyrannulet** (*Capsiempis flaveola*)

Op 7-08 1 ex. Morro de Calzada.

**Short-tailed Pygmy-Tyrant** (*Myiornis ecaudatus*)

On 9-08 1 adult + a recently fledged, begging juvenal bird at our lunch stop 4.5 km. west of Rioja.

**Scale-crested Pygmy-Tyrant** (*Lophotriccus pileatus*)

On 6-08 2 exx. and on 9-08 3 exx. Afluente area.

**Yellow-Olive Flycatcher** (*Tolmomyias sulphurens*)

On 31-07 in the Quebrada Frejolillo (Limon).

**Flavescent Flycatcher** (*Myiophobus flavicans* ssp. *superciliosus*)

On 19-08 3 exx. and on 23-08 1 ex. along the Paty Trail.

**Ochraceous-breasted Flycatcher** (*Myiophobus ochraceiventris*)

On 20-08 1 ex. and on 21-08 2 exx. Bosque Unchog.

**Bran-coloured Flycatcher** (*Myiophobus fasciatus* ssp. *rufescens*)

On 25-08 1 ex. Lower Santa Eulalia Valley.

Possibly a valid species *M. rufescens*.

**Olive-chested Flycatcher** (*Myiophobus cryptoxanthus*)

On 6-08 1 ex. at Afluente.

On 7-08 1 ex. at Morro de Calzada.

**Cinnamon Flycatcher** (*Pyrrhomyias cinnamomea*)

Up to 4 exx. daily at Abra Patricia.

On 11-08 1 ex. at Abra Barro Negro.

Up to 4 exx. daily along the Paty Trail.

**Cliff Flycatcher** (*Hirundinea ferruginea*)

Up to 10 at the cliffs near the ridge trail, Abra Patricia.

On 8-08 1 ex. near the tunnel, Tarapoto.

**Smoke-colored Pewee** (*Contopus fumigatus*)

On 1-08 1 ex. Abra Porculla.

On 3-08 2 exx. Abra Patricia.

**Tropical Pewee** (*Contopus cinereus*)

On 10-08 4 exx. Rio Utcubamba valley towards Leimebamba.

On 11-08 4/5 exx. Balsas.

**Tumbes Pewee** (*Contopus punensis*)

On 31-08 2 exx. observed at Quebrada Frejolillo (Limon).

**Blackish Pewee** (*Contopus nigrescens*)

On 7-08 excellent views of 1 adult and 2 juv. birds near Tarapoto. (km.551)

An uncommon and local species.

**Black Phoebe** (*Sayornis nigricans*)

Observed along streams, mainly during random roadside stops.

**Vermillion Flycatcher** (*Pyrocephalus rubinus*)

Common pacific lowlands, and between Leimebamba – Cajamarca .

On 25-08 1 ex. Santa Eulalia Valley.

**Peruvian Chat-Tyrant** (*Ochthoeca spodionota*)

On 21-08 excellent views of 2 single birds , Bosque Unchog.

**Golden-browed Chat-Tyrant** (*Ochthoeca pulchella*)

On 22-08 2 exx. of this rare species , Carpish Tunnel.

**Maroon-chested Chat-Tyrant** (*Ochthoeca thoracica*)

On 19 and 13-08 1 pair along a small stream , just beside the main highway, near Carpish Tunnel.

**Rufous-breasted Chat-Tyrant** (*Ochthoeca rufipectoralis*)

On 11-08 2 exx. between Leimebamba and Balsas.

Up to 3 exx. daily at Bosque Unchog.

**Brown-backed Chat-Tyrant** (*Ochthoeca fumicolor*)

On 11-08 1 ex. Abra Barro Negro.

Up to 3 exx. daily at Bosque Unchog.

**D'Orbigny's Chat-Tyrant** (*Ochthoeca oenanthoides*)

On 16-08 5 exx. Upper Santa Eulalia.

On 17-08 4 exx. between La Oroya and Huanuco.

**White-browed Chat-Tyrant** (*Ochthoeca leucophrys*)

On 12-08 10+ between Hacienda Limon – Celendin – Cajamarca.

Up to 3 exx. on 16, 24 and 25-08 in the Santa Eulalia Valley.

On 17-08 1 ex. between La Oroya – Huanuco.

**\* PIURA CHAT-TYRANT** (*Ochthoeca piurae*)

On 1-08 brief but good views of 1 ex. at Abra Porculla.

Uncommon on scrubby hillsides in north-west Peru.

Considered “Near-Threatened.”

**\* TUMBES TYRANT** (*Tumbezia salvini*)

On 31-07 twice a single ex. of this local and uncommon species observed at Quebrada Frejolillo (Limon). Considered “Near-Threatened.”

**Red-rumped Bush-Tyrant** (*Cnemarchus erythropygius*)

Daily 1-2 exx. seen at Bosque Unchog.

**Streak-throated Bush-Tyrant** (*Myiotheretes striaticollis*)

On 1-08 1 ex. at Abra Porculla.

On 25-08 1 ex. Upper Santa Eulalia Valley.

**Smoky Bush-Tyrant** (*Myiotheretes fumigatus*)

On 18-08 1 ex. at Carpish Tunnel.

**Black-billed Shrike-Tyrant** (*Agriornis montana*)

On 12-08 10+ between Celendin – Cajamarca.

Single birds on 16-08 Upper Santa Eulalia – Marcopomacocha and on 24-08 2 exx. Upper Santa Eulalia.

**Rufous-webbed Tyrant** (*Polioptila rufipennis*)

On 11-08 1 ex. near Abra Barro Negro.

On 12-08 1 ex. Abra Gran Chimú.

**Rufous-naped Ground-Tyrant** (*Muscisaxicola rufivertex*)

On 16-08 2 exx. Santa Eulalia – Marcopomacocha.

On 17-08 4 exx. and on 24-08 1 ex. between La Oroya – Huanuco.

**Puna Ground-Tyrant** (*Muscisaxicola alpina*)

On 16-08 10+. between Santa Eulalia – Marcopomacocha.

**Cinereous Ground-Tyrant** (*Muscisaxicola cinerea*)

As previous species.

**Plain-capped ( Taczanowski's) Ground-Tyrant** (*Muscisaxicola alpina*)

On 16-08 4 exx. Upper Santa Eulalia – Marcopomacocha.

**White-fronted Ground-Tyrant** (*Muscisaxicola albifrons*)

On 16-08 20+ between Santa Eulalia – Marcopomacocha.

**Ochre-naped Ground-Tyrant** (*Muscisaxicola flavinucha*)

On 16-08 10+ between Santa Eulalia – Marcopomacocha.

**Short-tailed Field-Tyrant** (*Idiopsar brachyurus*)

On 30-07 2 exx. Batán Grande and 1 ex. Quebrada Limón.

On 31-07 2 exx. Quebrada Limón.

**Andean Negrito** (*Lessonia oreas*)

On 17-08 4 exx. Lake Junín.

**Rufous-tailed Tyrant** (*Knipolegus poecilurus*)

A total of 9 exx. on 4 dates upper part of Abra Patricia.

**White-winged Black Tyrant** (*Knipolegus aterrimus*)

On 13-08 4 exx. San Marcos near Cajamarca.

**Long-tailed Tyrant** (*Colonia colonus*)

On 6 and 7-08 3-4 exx. near Aguas Verdes and Morro de Calzada.

**Rufous Casiornis** (*casiornis rufa*)

On 9-08 1 ex. at our lunch stop 4.5 km. west of Ríoja.

The species was unrecorded for this area.

**\* RUFOUS FLYCATCHER** (*Myiarchus semirufus*)

On 30-07 3 exx. Batán Grande and 1 ex. at Quebrada Limón.

**Dusky-capped Flycatcher** (*Myiarchus tuberculifer*)

On 4 and 5-08 2 exx. Abra Patricia.

On 7-08 1 ex. Morro de Calzada.

Up to 6 exx. daily at Carpath Tunnel/Paty Trail.

**Short-crested Flycatcher** (*Myiarchus ferox*)???

On 7-08 1 ex. Morro de Calzada.

**Sooty-crowned Flycatcher** (*Myiarchus phaeocephalus*)

On 1 and 2-08 1-2 exx. Abra Porculla and Abra Patricia respectively.

**Snowy-throated Kingbird** (*Tyrannus niveigularis*)

On 31-07 1 ex. Quebrada Frejolillo (Limon).

**Tropical Kingbird** (*Tyrannus melancholicus*)

Recorded on 9 dates in Northern Peru.

In Central Peru only 1 on 25-08 in Santa Eulalia Valley

**Boat-billed Flycatcher** (*Megarynchus pitangua*)

On 8-08 2 exx. near Tarapoto.

On 9-08 1 ex. Juan Guerra.

**Lemon-browed Flycatcher** (*Conopias cinchoneti*)

On 5-08 2 exx. near Afluente.

**Baird's Flycatcher** (*Myiodynastes bairdi*)

On 31-07 5 exx. Quebrada Frejolillo (Limon).

**Streaked Flycatcher** (*Myiodynastes maculates*)

A total of 8 exx. observed on 3 dates, Tarapoto area.

**Social Flycatcher** (*Myiozetetes similis*)

Single birds seen near Jaen on 1 and 2-08.

On 7-08 4 exx. and on 9-08 8 exx. Tarapoto area.

**Gray-capped Flycatcher** (*Myiozetetes granadensis*)

On 1 ex. Morro de Calzada.

**Great Kiskadee** (*Pitangus sulphuratus*)

On 7-08 2 exx. near Tarapoto.

On 8-08 common Yurimaguas Road, Tarapoto.

On 9-08 5 exx. Juan Guerra.

On 13-08 1 ex. Cajamarca.

**Barred Becard** (*Pachyramphus versicolor*)

On 18-08 1 ex. and on 19-08 2 exx. Paty Trail.

**Yellow-cheeked Becard** (*Pachyramphus xanthogenys*)

On 31-07 1 male at Quebrada Frejolillo (Limon).

On 2-08 1 ex. along the Chirinos road near Tamborapa, Jaen.

On 6-08 1 ex. Afluente.

**White-winged Becard** (*Pachyramphus polychopterus*)

On 8-08 1 male along the Yurimaguas Road, Tarapoto.

**Black & White Becard** (*Pachyramphus albogriseus*)

On 5-08 1 female near Afluente.

On 8-08 1 male, Yurimaguas Road, Tarapoto.

**SWALLOWS - HIRUNDINIDAE**

**Gray-breasted Martin** (*Progne chalybea*)

Daily 30 exx. on 30 and 31-07 Chiclayo area.

On 9-08 5 exx. near Tarapoto.

**Blue & White Swallow** (*Notiochelidon cyanoleuca*)

Observed on 12 dates in Northern Peru.

On 17 and 19-08 observed near Huanuco and Carpish Tunnel.

**Brown-bellied Swallow** (*Notiochelidon murina*)

On 11-08 20+ Abra Barro Negro.

On 12-08 40 exx. Hacienda Limon – Celendin.

On 21-08 10 exx. Bosque Unchog.

**Andean Swallow** (*Stelgidopteryx andecola*)

On 16 and 17-08 20+ Upper Santa Eulalia and between Santa Eulalia – Marcopomacocha.

Daily 10+ at Bosque Unchog.

**Southern Roughwing Swallow** (*Stelgidopteryx ruficollis*)

Observed on 8 dates in Northern Peru.

**PIPITS - MOTACILLIDAE**

**Short-billed Pipit** (*Anthus furcatus*)

On 17-08 2 exx. identified near Lake Junin.

**Paramo Pipit** (*Anthus bogotensis*)

On 20-08 2 exx. Bosque Unchog. On 22-08 1 ex. Bosque Unchog.

**Yellowish Pipit** (*Anthus lutescens*)

On 14-08 10 exx. at coastal swamp near Trujillo.

On 15-08 2-3 exx. El Paraiso.

**DIPPERS - CINCLIDAE**

**White-capped Dipper** (*Cinckus leucocephalus*)

On 2-08 3 exx. between Jaen and Bagua Chica.

On 6-08 2 ex. from the bridge at the Afluente restaurant.

**WRENS - TROGLODYTIDAE**

**Thrush-like Wren** (*Campylorhynchus turdinus*)

On 6 1 ex. seen at Afluente.

On 7-08 3 exx. heard at Morro de Calzada.

**Fasciated Wren** (*Campylorhynchus fasciatus*)

Common at Quebrada Limon and the Jaen area.

On 9-08 2 exx. Juan Guerra.

On 12-08 4 exx. Hacienda Limon.

On 13-08 5 exx. San Marcos, Cajamarca.

**Gray-mantled Wren** (*Odontorchilus branickii*)

On 5-08 2 exx. and on 6-08 1 ex. in mixed species canopy flock, Afluente.

**Peruvian Wren** (*Cinnycerthia peruana*)

Common at Carpish Tunnel and Paty Trail.

**Speckle-breasted Wren** (*Thryothorus sclateri* ssp. *paucimaculatus*)

On 30-08 1 ex. at Batan Grande was the only observation.

**Buff-breasted Wren** (*Thryothorus leucotis*)

On 9-08 1 ex. Juan Guerra.

**Superciliated Wren** (*Thryothorus superciliaris*)

Common Quebrada Limon and the Jaen area.

**House Wren** (*Troglodytes aedon*)

Observed. In the north seen on 11 out of 15 dates.

**Mountain Wren** (*Troglodytes solstitialis*)

A few only.

**Sedge Wren** (*Cistothorus platensis*)

On 21-08 twice heard at Bosque Unchog.

**White-breasted Wood-Wren** (*Henicorhina leucosticta*)

On 9-08 1 ex. Juan Guerra.

**Gray-breasted Wood-Wren** (*Henicorhina leucophrys*)

Common at Abra Patricia.

Commonly heard Carpish Tunnel/Paty Trail. A few seen well.

**\* BAR-WINGED WOOD-WREN** (*Henicorhina leucoptera*)

On 4 and 5-08 heard at the cumbre area, Abra Patricia.

On 5-08 finally briefly seen, near the Ridge trail, Abra Patricia.

**Chestnut-breasted Wren** (*Cyphorhinus thoracicus*)

On 18-08 astonishing views at very close range of a very vocal pair on the Paty Trail.

## **MOCKINGBIRDS - MIMIDAE**

### **Long-tailed Mockingbird** (*Mimus longicaudatus*)

Common Chiclayo and Jaen area. Also observed near Cajamarca.

A few near Lima and at the lower Santa Eulalia Valley.

## **THRUSHES**

### **Andean Solitaire** (*Myadestes ralloides*)

Daily heard, mainly upper part of Abra Patricia.

### **White-eared Solitaire** (*Entomodestes leucotis*)

Daily heard in the Rioja – Tarapoto area.

Commonly heard Carpish Tunnel and Paty Trail area. Extremely well seen.

On 23-08 10+ seen along the Paty Trail.

### **Chiguanco Thrush** (*Turdus chiguanco*)

Commonly observed.

### **Great Thrush** (*Turdus fuscater*)

Commonly observed at higher altitudes.

### **Glossy-Black Thrush** (*Turdus serranus*)

On 3-08 1 ex. Abra Patricia. (Valle Hermosa)

Single birds seen along the Paty Trail on 19 and 23-08.

### **Plumbeous-backed Thrush** (*Turdus reevei*)

On 31-08 20+ Quebrada Frejolillo (Limon).

### **Marañon Thrush** (*Turdus maranonicus*)

On 1-08 10+ Seminario area, Jaen.

On 2-08 1 ex. along the Chirinos road near Tamborapa, Jaen.

On 10-08 2 exx. near Leimebamba.

On 11-08 10+ Balsas. On 12-08 1 ex. Hacienda Limon.

### **Black-billed Thrush** (*Turdus ignobilis*)

Common around Aguas Verdes and Morro de Calzada.

On 9-08 3 exx. Juan Guerra.

On 11-08 10+ at Balsas.

## **GNATCATCHERS – POLOPTILIDAE**

### **Tropical Gnatcatcher** (*Polioptila plumbea*)

Common around Chiclayo (Batan Grande, Olmos and Quebrada Liomon) and Jaen.

### **Marañon Gnatcatcher** (*Polioptila major*)

On 10 and 11-08 10+ Leimebamba – Balsas.

On 13-08 common San Marcos site.

## **JAYS - CORVIDAE**

### **Green Jay** (*Cyanocorax yncas*)

Daily up to 5 exx. observed Abra Patricia area. (on 7 dates)

### **Violaceous Jay** (*Cyanocorax violaceus*)

On 8-08 3 exx. tunnel area along the Yurimaguas Road, Tarapoto.

### **White-tailed Jay** (*Cyanocorax mystacalis*)

On 30-07 3 exx. Batan Grande.

On 31-07 heard at Quebrada Frejolillo (Limon).

### **White-collared Jay** (*Cyanocorax viridicyana*)

On 3-08 5 exx. and on 5-08 3 exx. Abra Patricia.

On 19-08 1 ex. Paty Trail.

On 21-08 1 ex. Bosque Unchog.

**VIREOS - VIREONIDAE**

**Rufous-browed Peppershrike** (*Cyclarhis gujanensis*)

On 5-08 1 ex. Afluyente.

On 9-08 1 ex. Juan Guerra.

Twice a single bird observed along the Paty Trail.

**Red-eyed Vireo** (*Vireo olivaceus*)

Twice single birds seen at Abra Patricia.

On 8-08 2 exx. Yurimaguas Road.

On 9-08 3 exx. near Rioja.

On 10-08 1 ex. Rio Utcubamba valley.

**Ashy-headed Greenlet** (*Hylophilus pectoralis*)

On 8-08 1 ex. Yurimaguas Road, Tarapoto.

**Olivaceous Greenlet** (*Hylophilus olivaceus*)

Single birds observed on 3 dates, Abra Patricia area and Juan Guerra.

**NEW WORLD WARBLERS - PARULIDAE**

**Tropical Parula** (*Parula pitiayumi*)

On 31-07 4 exx. Quebrada Limon.

On 1-08 3 exx. Seminario area, Jaen.

On 5-08 2 exx. and on 6-08 5 exx. Afluyente area.

**Black-lored Yellowthroat** (*Geothlypis auricularis*)

On 30-07 1 ex. Bosque de Pomac.

On 13-08 2 exx. San Marcos, Cajamarca.

Split from **Masked Yellowthroat** (*G. aequinoctialis*)

**Slate-throated Redstart** (*Myioborus miniatus*)

On 1-08 2 exx. Abra Porculla.

On 5-08 1 ex. and on 6-08 3 exx. at Abra Patricia.

On 8-08 2 exx. Yurimaguas Road, Tarapoto.

Common Carpath Tunnel/Paty Trail.

**Spectacled Redstart** (*Myioborus melanocephalus*)

On 4 and 5-08 common upper part of Abra Patricia.

On 11-08 6 exx. at Abra Barro Negro.

**Gray & Gold Warbler** (*Basileuterus fraseri*)

On 1-08 good views of 1 ex. in the undergrowth of a small gulley, Abra Porculla.

A Tumbesian species.

**Citrine Warbler** (*Basileuterus luteoviridis*)

On 5-08 3 exx. Abra Patricia.

On 10-08 1 ex. Rio Utcubamba valley.

Daily observed in small numbers at Carpath Tunnel/Paty Trail and Bosque Unchog.

**Black-crested Warbler** (*Basileuterus nigrocristatus*)

On 11-08 1 ex. at Abra Barro Negro.

**Russet-crowned Warbler** (*Basileuterus coronatus*)

On 11-08 2 exx. at Abra Barro Negro.

On 19 and 13-08 2 exx. along the Paty Trail.

**Three-banded Warbler** (*Basileuterus trifasciatus*)

On 31-07 1 ex. Quebrada Frejolillo (Limon).

On 1-08 common at Abra Porculla.

On 2-08 2 exx. along the Chirinos Road near Tamborapa, Jaen.

Another Tumbesian species.

**Three-striped Warbler** (*Basileuterus tristriatus*)

On 4 and 5-08 1 ex. Abra Patricia

**Cinereous Conebill** (*Conirostrum cinereum*)

On 11-08 3 exx. Abra Barro Negro.

On 15 and 25-08 3-10 exx. Santa Eulalia Valley.

On 18-08 4 exx. Carpish Tunnel.

On 20-08 2 exx. just below Bosque Unchog.

**Blue-backed Conebill** (*Conirostrum sitticolor*)

On 18-08 2 exx. and on 19-08 1 ex. Paty Trail.

**Capped Conebill** (*Conirostrum albifrons*)

On 18-08 1 ex. Carpish Tunnel and on 19-08 1 ex. along the Paty Trail.

**BANANAQUIT - COEREBIDAE**

**Bananaquit** (*Coereba flaveola*)

Observed on 9 dates in Northern Peru.

On 25-08 1 ex. Lower Santa Eulalia.

**TANAGERS - THRAUPIDAE**

**Giant Conebill** (*Oreomanes fraseri*)

On 17-08 7 exx. Polylepis Forest at km. 142 between La Oroya and Huanuco.

On 24-07 1 ex. at the same site.

Because of the rapid disappearing of its habitat, polylepis forest, it is considered Near-Threatened."

**Black-faced Tanager** (*Schistochlamys melanopsis*)

On 4-08 1 ex. Abra Patricia.

On 6-08 2 exx. Afluente.

**Magpie Tanager** (*Cissopis leveriana*)

On 5-08 5 exx. and on 6-08 10 exx. Afluente.

On 8-08 4 exx. Yurimaguas Road, Tarapoto.

On 9-08 3 exx. Juan Guerra.

**Grass-green Tanager** (*Chlorornis riefferii*)

On 3-08 2 exx. and on 5-08 4 exx. Abra Patricia.

On 6-08 10 exx. Afluente.

On 19-08 3 exx. and on 23-08 6 exx. along the Paty Trail.

**White-capped Tanager** (*Sericossypha albocristata*)

Finally I caught up with this one!! On 5-08 2 exx. came in to the tape and gave excellent and prolonged views at the cumbre area of Abra Patricia.

**Common Bush-Tanager** (*Chlorospingus ophthalmicus*)

On 4-08 10 exx. Abra Patricia.

On 8-08 1 ex. along the Yurimaguas Road, Tarapoto.

Recorded on 3 dates along the Paty Trail. (3-5 exx. each time)

**Ash-throated Bush-Tanager** (*Chlorospingus canigularis*)

On 18-08 1 ex. along the Paty Trail.

**Gray-hooded Bush-Tanager** (*Cnemoscopus rubrirostris*)

On 5-08 2 exx. cumbre area of Abra Patricia.

On 11-08 2 exx. Abra Barro Negro.

**White-browed Hemispingus** (*Hemispingus auricularis*)

Up to 6 exx. on each visit to the Paty Trail.

Split from **Black-capped Hemispingus** (*H. atropileus ssp. auricularis*)

**Superciliaried Hemispingus** (*Hemispingus superciliaris* ssp.*leucogaster/insignis*)

On 11-08 10 exx. just below Abra Barro Negro.

These birds have greyish upper parts with a white breast/ belly and may present a valid species: White-bellied Hemispingus (*Hemispingus leucogaster/insignis*)

**Oleaginous Hemispingus** (*Hemispingus frontalis*)

On 23-08 2 exx. along the Paty Trail.

**Black-eared Hemispingus** (*Hemispingus melanotis* ssp.*berlepschi*)

On 23-08 4 exx. along the Paty Trail.

**\* RUFOUS-BROWED HEMISPINGUS** (*Hemispingus rufosuperciliaris*)

On 22-08, on our last morning at Bosque Unchog, we finally caught up with this rare and local species. We had superb views of 2 birds, foraging low down just beside the main track. The species is local and uncommon and considered "Vulnerable."

**Drab Hemispingus** (*Hemispingus xanthophthalmus*)

On 5-08 2 exx. Abra Patricia.

On 11-08 2 exx. Abra Barro Negro.

On 18-08 1 ex.at Carpish Tunnel.

**Rufous-chested Tanager** (*Thlypopsis ornata*)

On 18 and 19-08 up to 10 at Carpish Tunnel/Paty Trail.

On 23-08 6 exx. along the Paty Trail.

**\* BROWN-FLANKED TANAGER** (*Thlypopsis pectoralis*)

In the early morning of 20-08 we found 3 exx. in a scrubby area just before Bosque Unchog.

**\* BUFF-BELLIED TANAGER** (*Thlypopsis inornata*)

On 1-08 3 exx. at Abra Porculla.

On 2-08 4 exx. along the Chirinos Road, Tamborapa, and 2 exx. seminario area.

On 10-08 5 exx. before Leimebamba.

On 12-08 1 ex. near Celendin.

**Yellow-backed Tanager** (*Hemithraupis flavicollis*)

On 8-08 5 exx.along the Yurimaguas Road, Tarapoto.

**Olive Tanager** (*Chlorothraupis carmioli*)

On 8-08 10+ along the Yurimaguas Road, Tarapoto.

**Fulvous-crested Tanager** (*Taxhyphonus surinamus*)

On 8-08 3 exx. along the Yurimaguas Road, Tarapoto.

**White-lined Tanager** (*Tachyphonus rufus*)

On 2-08 2 exx. between Jaen and Pomacochas during a road stop.

On 5-08 2 exx. Afluente.On 6-08 1 ex.Aguas Verdes.

On 8-08 1 ex.Yurimaguas Road, Tarapoto.

On 9-08 1 ex. west of Rioja.

On 10-06 6 exx. Pedro Ruiz.

**Highland Hepatic Tanager** (*Piranga flava* ssp.*lutea*)

On 31-07 2 exx. Quebrada Frejolillo (Limon).

**\* HUALLAGA TANAGER** (*Ramphocelus melanogaster*)

On 6-08 10+ around Aguas Verdes.

On 7-08 2 exx. Morro de Calzada.

On 9-08 2 exx. Juan Guerra.

**Silver-beaked Tanager** (*Ramphocelus carbo*)

On 5-08 5 exx. Afluente area.

On 8-08 4 exx. Yurimaguas Road.

On 9-08 5 exx. Juan Guerra.

**Blue-gray Tanager** (*Thraupis episcopus*)

Observed on 9 dates in Northern Peru.

**Palm Tanager** (*Thraupis palmarum*)

Common on the stretch between Aguas Verdes – Tarapoto.

On 11-08 10+ at Balsas.

**Blue-capped Tanager** (*Thraupis cyanocephala*)

Commonly observed at Abra Patricia and around Tarapoto.

A total of 16 exx. on 3 visits along the Paty Trail.

**Blue & Yellow Tanager** (*Thraupis bonariensis*)

On 12-08 10+ between Hacienda Limon – Celendin – Cajamarca.

On 15-07 2 exx. Santa Eulalia Valley.

On 22-08 1 ex. Bosque Unchog.

**Hooded Mountain-Tanager** (*Buthraupis montana*)

On 5-08 1 ex. Abra Patricia.

On 19-08 1 ex. at Carpish Tunnel and on 23-08 4 exx. along the Paty Trail.

**\* GOLDEN-BACKED MOUNTAIN-TANAGER** (*Buthraupis aureodorsalis*)

The observation of this enigmatic species was for me the highlight of the entire trip. On 20-08 I saw 5 exx., on 21-08 10 exx. and on 22-08 1 ex. at Bosque Unchog. Some of these were seen extremely well at close range, feeding at eye-level in the canopy.

The species is known from only 3 localities within its restricted range. It is uncommon and considered ‘Vulnerable.’

**Lacrimose Mountain-Tanager** (*Anosognathus lacrymosus*)

On 4-08 1 ex. Abra Patricia.

On 18-08 5 exx. at Carpish Tunnel.

On 19-08 3 exx. and on 23-08 1 ex. along the Paty Trail.

**Scarlet-bellied Mountain-Tanager** (*Anisognathus igniventris*)

On 11-08 1 ex. at Abra Barro Negro.

A total of 11 exx. observed on 3 dates at Bosque Unchog.

**Blue-winged Mountain-Tanager** (*Anisognathus somptuosus*)

On 6-08 3 exx. Afluyente area.

On 18-08 1 ex. Carpish Tunnel.

**Yellow-throated Tanager** (*Iridosornis analis*)

On 6-08 2 exx. Afluyente area.

**Golden-collared Tanager** (*Iridosornis jelskii*)

On 3-08 1 ex. at Abra Patricia.

On 20 and 21-08 10+ at Bosque Unchog.

**\* YELLOW-SCARFED TANAGER** (*Iridosornis reinhardti*)

Having missed this species at Abra Patricia, I was relieved to find this species at Carpish Tunnel on 18-08. I observed 2 exx. in a mixed flock in this area.

On 19-08 and 23-08 I saw 1 ex. along the Paty Trail

**Buff-breasted Mountain-Tanager** (*Dubusia taeniata*)

On 18-08 2 exx. at Carpish Tunnel and 2 exx. along the Paty Trail.

On 22-08 1 ex. at Bosque Unchog.

**Chestnut-bellied Mountain-Tanager** (*Delothraupis castaneiventris*)

On 21-08 good views of this uncommon bird at Bosque Unchog.

**Purple-throated Euphonia** (*Euphonia chlorotica*)

Locally common in Northern Peru. Not recorded above 1000 meter.

**Thick-billed Euphonia** (*Euphonia lanirostris*)

On 2-08 1 ex. during a roadside stop between Jaen and Pomacochas.

**Bronze-green Euphonia** (*Euphonia mesochrysa*)

On 6-08 1 ex. Afluyente area.

**Orange-bellied Euphonia** (*Euphonia xanthogaster*)

On 8 and 9-08 2-4 exx. near Tarapoto. (Yurimaguas Road and Juan Guerra)

**Blue-naped Chlorophonia** (*Chlorophonia cyanea*)

On 4-08 2 exx. and on 5-08 1 ex. Abra Patricia.

**Orange-eared Tanager** (*Chlorochrysa caliparaea*)

On 5-08 3 exx. and on 6-08 2 exx. Afluyente area.

**Paradise Tanager** (*Tangara chilensis*)

Common in the Afluyente area.

On 7-08 3 exx. Morro de Calzada.

On 8-08 10+ along the Yurimaguas Road, Tarapoto.

On 9-08 2 exx. Juan Guerra.

On 10-08 8 exx. between Pedro Ruiz – Leimebamba.

**Green & Gold Tanager** (*Tangara schrankii*)

On 6-08 5 exx. Afluyente area.

On 8-08 2 exx. Yurimaguas Road, Tarapoto.

On 9-08 1 ex. Juan Guerra.

**Golden Tanager** (*Tangara arthus*)

On 5-08 3 exx. and on 6-08 10 exx. Afluyente area.

On 9-08 2 exx. at our lunch site 4.5 km. west of Rioja.

**Golden-eared Tanager** (*Tangara chrysotis*)

On 9-08 1 ex. at our lunch site 4.5 km. west of Rioja.

**Saffron-crowned Tanager** (*Tangara xanthocephala*)

Up to 10 exx. daily at Abra Patricia/Afluyente

On 8-08 1 ex. Yurimaguas Road, Tarapoto.

On 9-08 5 exx. Juan Guerra.

On 18 and 19-08 2-4 exx. along the Paty Trail.

**Flame-faced Tanager** (*Tangara parzudakii*)

On 4-08 1 ex. Abra Patricia.

On 19-08 3 exx. along the Paty Trail.

**Spotted Tanager** (*Tangara punctata*)

On 6-08 4 exx. Afluyente area.

**Bay-headed Tanager** (*Tangara gyrola*)

On 5-08 1 ex. and on 6-08 10 exx. Afluyente area.

On 8-08 2 exx. Yurimaguas Road, Tarapoto.

On 9-08 4 exx. Juan Guerra.

**Burnished-buff Tanager** (*Tangara cayana*)

On 4-08 and 6-08 1 ex. Abra Patricia and Afluyente.

**Metallic Green Tanager** (*Tangara labradorides*)

On 7-08 1 ex. Morro de Calzada.

**Blue-necked Tanager** (*Tangara cyanicollis*)

Up to 20 in the Afluyente area.

On 9-08 5 exx. at our lunch site 4.5 km. west of Rioja.

**Masked Tanager** (*Tangara nigrocincta*)

On 8-08 1 ex. along the Yurimaguas Road, Tarapoto.

**Beryl-spangled Tanager** (*Tangara nigroviridis*)

On 4-08 2 exx. Abra Patricia.

On 18, 19 and 23-08 3, 2 and 4 exx. along the Paty Trail.

**Blue & Black Tanager** (*Tangara vassorii*)

On 4-08 2 exx. cumbre area of Abra Patricia.

On 18, 19 and 23-08 4, 3 and 3 exx. along the Paty Trail.

**Silver-backed Tanager** (*Tangara viridicollis*)

On 3-08 1 ex. and on 4/5-08 4 exx. at Abra Patricia.

**Opal-rumped Tanager** (*Tangara velia*)

On 8-08 3 exx. along the Yurimaguas Road, Tarapoto.

**Black-faced Dacnis** (*Dacnis lineata*)

On 7-08 2 exx. at Afluente.

On 8-08 6 exx. along the Yurimaguas Road, Tarapoto.

**Blue Dacnis** (*Dacnis cayana*)

On 6-08 2 exx. Afluente.

On 7-08 2 exx. Morro de Calzada

**Green Honeycreeper** (*Chlorophanes spiza*)

On 6-08 1 ex. Afluente.

On 7-08 1 ex. Morro de Calzada.

On 8-08 4 exx. along the Yurimaguas Road, Tarapoto.

**Short-billed Honeycreeper** (*Cyanerpes nitidus*)

On 8-08 3 exx. of this rare bird along the Yurimaguas Road.

1 bird was observed within 3 meters at eyelevel !!! An uncommon and local bird.

**Swallow Tanager** (*Tersina viridis*)

On 6-08 1 ex. Afluente.

On 7-08 2 exx. Morro de Calzada.

On 8-08 2 exx. along the Yurimaguas Road, Tarapoto.

**Plush-capped Finch** (*Catamblyrhynchus diadema*)

On 18-08 3 exx. and on 23-08 4 exx. along the Paty Trail.

**\* PARDUSCO** (*Nephelornis oneilli*)

Up to 10 exx. daily at Bosque Unchog.

**Rusty Flowerpiercer** (*Diglossa sittoides*)

On 1-08 2 exx. Abra Porculla.

On 11-08 1 ex. Abra Barro Negro.

On 18-08 2 exx. Carpish Tunnel.

**White-sided Flowerpiercer** (*Diglossa albilatera*)

On 1-08 2 exx. at Abra Porculla.

On 4-08 6 exx. Abra Patricia.

On 11-08 2 exx. Abra Barro Negro.

On 12-08 2 exx. between Hacienda Limon – Cajamarca.

**Glossy Flowerpiercer** (*Diglossa lafresnayii*)

On 18-08 2 exx. Paty Trail.

**Moustached Flowerpiercer** (*Diglossa mystacalis*)

On 18-08 3 exx. and on 23-08 4 exx. along the Paty Trail.

**Black-throated Flowerpiercer** (*Diglossa bruneiventris*)

On 12-08 3 exx. Rio Chonta, near Cajamarca.

**Bluish Flowerpiercer** (*Diglossa caerulescens*)

On 4-08 1 ex. Abra Patricia.

**Masked Flowerpiercer** (*Diglossa cyanea*)

On 4 and 5-08 10+ Abra Patricia.

On 18 and 19-08 2 exx. Paty Trail. On 23-08 1 ex. Paty Trail.

**BUNTINGS, SPARROWS & BRUSH-FINCHES - EMBERIZIDAE****Rufous-collared Sparrow** (*Zonotrichia capensis*)

Commonly observed.

**Yellow-browed Sparrow** (*Ammodramus aurifrons*)

On 6-08 5 exx. Aguas Verdes.

On 7-08 3 exx. Morro de Calzada.

**Tumbes Sparrow** (*Aimophila stolzmanni*)

On 30-07 15 and on 31-07 30+ observed at Quebrada Limon.

Some nice views of this limited range species.

**Black-capped Sparrow** (*Arremon abeillei ssp.abeillei.*)

Up to 20 exx.in the Quebrada Limon area.

On 1-08 a few Abra Porculla.

**Black-capped Sparrow** (*Arremon abeillei ssp.nigriceps*)

On 1 and 2-08 1 ex. seminario area, Jaen.

Probably a valid species: **Marañon Sparrow** (*Arremon nigriceps*)

**Tricoloured Brush-Finch** (*Atlapetes tricolor*)

On 19-08 2 exx. Carpish Tunnel.

On 23-08 3 exx. Paty Trail.

**Cloud-forest Brush-Finch** (*Atlapetes latinuchus*)

A total of 15 exx. on 3 dates recorded at Abra Patricia.

On 10 and 11-08 3 exx. near Leimebamba.

**Slaty Brush-Finch** (*Atlapetes schistaceus*)

On 18-08 and 19-08 10 and 6 exx. recorded in the Carpish Tunnel/Paty Trail area.

**Bay-crowned Brush-Finch** (*Atlapetes seebohmi*)

On 1-08 4 exx. at Abra Porculla.

On 13-08 1 ex. between Cajamarca – coast.

**\* RUSTY-BELLIED BRUSH-FINCH** (*Atlapetes nationia*)

On 15 and 15-08 2-4 exx. Upper Santa Eulalia Valley.

On 25-08 50+ in the same general area.

**White-winged Brush-Finch** (*Atlapetes leucopterus*)

On 31-07 1 ex. Quebrada Frejolillo (Limon).

On 1-08 common at Abra Porculla.

**White-headed Brush-Finch** (*Atlapetes albiceps*)

On 31-07 40+ at Quebrada Frejolillo (Limon).

**Chestnut-capped Brush-Finch** (*Buarremon brunneinucha*)

On 23-08 1 ex. Bosque Unchog.

**Stripe-headed Brush-Finch** (*Buarremon torquatus*)

On 19-08 1 ex. and on 23-08 2 exx. along the Paty Trail.

**Red-crested Finch** (*Coryphospingus cucullatus*)

On 1 and 2-08 common near Jaen.

**Peruvian Sierra-Finch** (*Phrygilus punensis*)

On 12-08 10 exx. between Hacienda Limon-Celendin-Cajamarca.

On 16 and 17-08 20+ Santa Eulalia-Marcopomacocha and lake Junin area.

On 24 10+ km.142 tussen Huanuco-La Oroya.

On 25-08 10+ Upper Santa Eulalia.

**Mourning Sierra-Finch** (*Phrygilus fruticeti*)

On 16-08 10+ and on 25-08 30+ Upper Santa Eulalia.

**Plumbeous Sierra-Finch** (*Phrygilus unicolor*)

On 12-08 5 exx. Cruz Conga area.

On 16-08 20+ Upper Santa Eulalia.

On 21-08 5 exx. Bosque Unchog.

**Band-tailed Sierra-Finch** (*Phrygilus alaudinus*)

On 12-08 3 exx. Cruz Conga area.

On 15-08 5 exx. Santa Eulalia.

On 24-08 10 exx. km.142 between Huanuco and La Oroya.

**Ash-breasted Sierra-Finch** (*Phrygilus plebejus*)

On 17-08 4 exx. Upper Santa Eulalia.

On 24-08 10 exx. at km.142 between Huanuco – La Oroya.

On 25-08 20+ Upper Santa Eulalia Valley.

**White-winged Diuca-Finch** (*Diuca speculifera*)

On 16-08 30+ Santa Eulalia – Marcopomacocha.

**Cinereous Finch** (*Piezorhina cinerea*)

On 30-07 10 exx. Batan Granda and 20 exx. Quebrada Limon.

On 31-07 5 exx. Quebrada Limon.

\* **GREAT INCAFINCH** (*Inca spiza pulchra*)

On 15-08 1 ex. Santa Eulalia Valley.

\* **RUFOUS-BACKED INCAFINCH** (*Inca spiza personata*)

On 17-08 1 ex. near Huanuco.

\* **GRAY-WINGED INCAFINCH** (*Inca spiza ortizi*)

On 12-08 at least 3 exx. Hacienda Limon.

This species is only known from 3 localities and is considered “Vulnerable.”

\* **BUFF-BRIDLES INCAFINCH** (*Inca spiza laeta*)

On 11-08 4 exx. between Leimebamba – Balsas.

On 13-08 10 exx. San Marcos, near Cajamarca.

\* **LITTLE INCAFINCH** (*Inca spiza watkinsi*)

On 1-08 1 ex. near Jaen.

Because of its very restricted range it is considered “Near-Threatened.”

\* **RUFOUS-BREASTED WARBLING-FINCH** (*Poospiza rubecula*)

On 25-08 we found after an extensive 2 hour search 1 ex. in the scrub of the Upper Santa Eulalia Valley near San Pedro de Caste. This bird gave excellent views. Later we flushed a second bird which was seen only briefly.

It is very rare, occurring at low densities, even at known sites.

The population is very small and the species is considered “Endangered.”

**Collared Warbling-Finch** (*Poospiza hispaniolensis*)

On 15-08 4 exx. Lomas de Lachay.

**Saffron Finch** (*Sicalis flaveola*)

On 30-07 2 exx. near Chiclayo.

On 31-07 10+ Quebrada Limon.

On 2-08 common around Jaen.

**Bright-rumped Yellow-Finch** (*Sicalis uropygialis*)

On 16-08 20 exx. between Santa Eulalia – Marcopomacocha.

\* **RAIMONDI'S YELLOW-FINCH** (*Sicalis raimondii*)

On 15-08 a flock of some 200 exx. studied in the scope along the entrance road of Lomas de Lachay.

**Sulphur-throated Finch** (*Sicalis taczanowskii*)

On 30-07 40+ and on 31-07 20 exx. at Quebrada Limon.

**Wedge-tailed Grass-Finch** (*Emberizoides herbicola*)

On 7-08 3 exx. Morro de Calzada.

**Blue-black Grassquit** (*Volatina jacarina*)

Surprisingly scarce or maybe locally overlooked.

On 1 and 2-08 a few near Jaen.

On 11-08 3 exx. between Leimebamba – Balsas.

On 12-08 10+ between Hacienda Limon – Cajamarca.

On 13-08 common near Cajamarca-San Marcos.

**Black & White Seedeater** (*Sporophila luctuosa*)

On 7-08 20+ at Morro de Calzada.

On 10-08 10+ between Pedro Ruiz – Leimebamba.

**Yellow-bellied Seedeater** (*Sporophila nigricollis*)

Daily up to 10 exx. between Leimebamba – Cajamarca.

On 10-08 2 exx. between Pedro Ruiz – Leimebamba.

On 12-08 10 near Cajamarca.

**Drab Seedeater** (*Sporophila simplex*)

On 1-08 3 exx. Abra Porculla and common around Jaen on 1 and 2-08.

**Parrot-billed Seedeater** (*Sporophila peruviana*)

On 31-07 20+ at Quebrada Limon.

**Chestnut-bellied Seedeater** (*Sporophila castaneiventris*)

On 6-07 10+ at Aguas Verdes.

**Lesser Seed-Finch** (*Oryzoborus angolensis*)

On 1-08 4 exx. Abra Porculla.

**Band-tailed Seedeater** (*Catamenia analis*)

On 1-08 20 exx. at Abra Porculla.

On 11-08 4 exx. Rio Chonta and on 12-08 20+ San Marcos both near Cajamarca.

Common in Central Peru observed, Upper Santa Eulalia, Marcopomacocha, near Junin and on transit.

**Plain-colored Seedeater** (*Catamenia inornata*)

On 25-08 10+ Upper Santa Eulalia Valley.

#### **SALTATORS & GROSBEAKS - CARDINALIDAE**

**Buff-throated Saltator** (*Saltator maximus*)

On 6-08 2 exx. Aguas Verdes.

On 8-08 2 exx. Yurimaguas Road, Tarapoto.

On 9-08 4 exx. near Rioja.

**Grayish Saltator** (*Saltator coerulescens*)

On 5-08 1 ex. Afluyente.

**Black-cowled Saltator** (*Saltator nigriceps*)

On 1-08 3 exx. observed at Abra Porculla.

**Golden-billed Saltator**, (*Saltator aurantirostris*)

On 20-08 common in the scrubby area just before Bosque Unchog.

**Streaked Saltator** (*Saltator striatipectus*)

Single birds seen at Quebrada Limon on 30 and 31-07.

On 1 and 2-08 4-5 exx. Jaen and Tamborapa.

On 11 and 12-08 2-3 exx. near Leimebamba.

**Golden-bellied Grosbeak** (*Pheucticus chrysogaster*)

On 31-07 3 exx. Quebrada Limon.

On 1-08 5 exx. Abra Porculla.

On 12-08 2 exx. Hacienda Limon.

On 20-08 10+ in the scrubby area, just before Bosque Unchog.

On 23-08 3 exx. Paty Trail.

On 25-08 6 exx. Santa Eulalia Valley.
